

## CLC Offering 100 Courses

More than 100 credit and non-credit courses have been scheduled for late afternoon and evening by the College of Lake County.

A complete listing, including day and hour for each class, is now available through the College office, according to Dr. Robert C. Mason, Assistant to the Dean of Instruction for Community Service programs.

Dr. Mason noted the range of courses includes many of the usual college credit courses, e.g., English, foreign languages, mathematics, social studies.

In addition, there is a wide selection of credit courses associated with the various CLC Career Programs: electronics, data processing, engineering, business, accounting, architectural drafting, to mention only a few.

More than a dozen non-credit

courses have also been scheduled during evening hours, Dr. Mason said. Several of these are designed to give enrollees an introduction to the subject without requiring prerequisites.

Among those courses will be Data Processing for the Layman; Interior Decorating; Playhouse Theatre Productions; Effective Public Speaking; Parliamentary Procedure; Seminar for Artists; and Securities and Investments.

Classes in conversational German, French and Spanish will be offered for persons who wish to attain basic conversational skills or renew their acquaintance with the language.

"In the area of educational development, we will offer a course for adults (21 or older) who wish to earn their high school diploma. There will also be an extension high school diploma preparation

program for students with two or more years of high school who want to secure a diploma," added Dr. Mason. "Other classes in reading improvement, word power, and writing skills are planned."

Dr. Mason emphasized that enrollment in these evening courses, as in all CLC classes, is open to anyone who can benefit from the programs. He stressed age should not be a deterrent to anyone interested in attending.

"It is hoped that our Community Services Program will include offerings of interest and value to a broad segment of our population, including persons who do not usually or have not participated in college educational programs. To assure representative offerings, we invite groups and individuals to explore ways in which

## Pollution Fight Moves To County

Lake County attorney Henry Caldwell, an assistant Illinois Attorney General, has been named to direct an investigation into Lake Michigan water pollution which has forced the closing of seven municipal beaches in the past week.

Illinois Attorney General William Scott initiated the probe after meeting last week with the Illinois Sanitary Water Board.

Former Lake County Sheriff Norris Froelich of Waukegan was

appointed by Scott as a pollution control investigator.

Legislation passed during the 1969 session of the State legislature gives the attorney general authority to prosecute pollution violators.

In a certified letter to officials of Lake Michigan shoreline communities last week the Lake County Board of Health recommended indefinite suspension of bathing until engineering changes are made to prevent discharge of

untreated sewage into the lake. The decision to issue the recommendation came after the Board members reviewed data from eleven sampling points over a period of 29 days, from June 2, to July 18.

Dr. Jack I. Smith, director of the Lake County Health Department, said test results failed to meet standards set by the Illinois Sanitary Water Board. The same criteria has been adopted

(Continued on page three)

## Holbert Named Auditor

William Brook, president of the State Bank of Antioch has announced the appointment of Fred Holbert as auditor.

Holbert, married and the father

Fred Holbert

of two children, attended the University of Illinois majoring in engineering physics and finance. He also attended Aurora College and working toward a graduate certificate at the American Institute of Banking.

He was formerly employed as supervisor of commercial loan department of the Merchants National Bank of Aurora, in Aurora.

Holbert, 27, who will live on Rincor Road, is interested in hunting, golfing and singing. He is a member of the Methodist faith and has done much solo work for weddings and in church.

## County Gov't Is Efficient

In an unpublished, random survey taken at the 1969 Lake County Fair local voters indicated they believe county government is efficient, meets the people's needs, and they favor the present system of township government.

The survey, taken on one of the county's votomatic devices at the Lake County Government display, brought in some rather surprising results. For instance, a majority of those answering the public opinion poll said they do not believe county government is getting adequate news coverage, and they would like to learn more about county government. Further, by an almost unanimous vote, those taking the survey said it is government's responsibility to communicate.

Nearly 250 persons voluntarily took the survey during the five-day fair, or about 50 per day. However, some did not answer each and every question. The votomatic was part of a large photographic display portraying the functions and services provided by the various elected officials and departments of Lake County Government.

The results of the survey follow:

	Yes	No
1. Is county government efficient?	135	102
2. Does it meet the people's needs	118	107
3. Is it trying too much?	75	139
4. Should it do more?	140	75
5. Does county government get adequate news coverage	91	137
6. Is it government's responsibility to communicate?	216	17
7. Would you like to learn more about county government?	225	8
8. Do you favor the present system?

## Lerae Wins Crown

Miss Lerae Kerr is the new Miss Lake Region for 1969.

The crown was presented to the new Miss Lake Region by Miss Colleen Gross, Miss Lake

Lerae Kerr

Region for 1968. The crowning took place at the end of the Eighth Annual Miss Lake Region Beauty Pageant sponsored by the Lake Region Jaycees.

The Pageant was held in the Antioch Community High School Auditorium and was attended by over 300 enthusiastic people Saturday night.

Miss Kerr, 17, of 19 Lippincott Road, Fox Lake, is a senior at Grant High School. She plans to take elective courses this fall in order to be a full time student. These extra courses will be scheduled to help her prepare for the next year when she plans to attend Lake County Junior Col-

## Village Sewer Program Gaining Added Impetus

The Village of Antioch is going to expand its sewer program, members of the Village Board decided Monday night.

The village engineer was asked to draw up plans and specifications for a force main on Lake Street from David to Hillside.

The village fathers also directed the engineer to include in the plans for the new middle grade school service a 12-foot trunk line on Hillside from Lake Street to the disposal plant.

Also under discussion are storm sewers to alleviate the flooding situation on many streets brought about by the recent heavy rains in the area.

The plans for the grade school building tie-in would include bringing in the area to the west, if the program gains village board approval when completed.

The contract for the Harden Street sewer line was also signed and work should get under way on that project within the very near future.

In other action the village board hiked the pay of street department worker George Boyd to \$7,300 to bring his remuneration in line with other members of the department.

The board also approved the pay of \$2.25 per hour for James Griffin, a part-time employee of the street department.

The board also received two letters from recent queries sent out by Village Clerk Marilyn Sterbenz.

One letter was from the state highway department which said it was investigating the feasibility of a warning light at North and Main Streets.

The second letter was from the Soo Line which said it was investigating the situation at the railroad crossing on Rte. 173.

Many complaints have been received from residents of the area about the condition of the tracks.

## Two Bodies Recovered From Lake

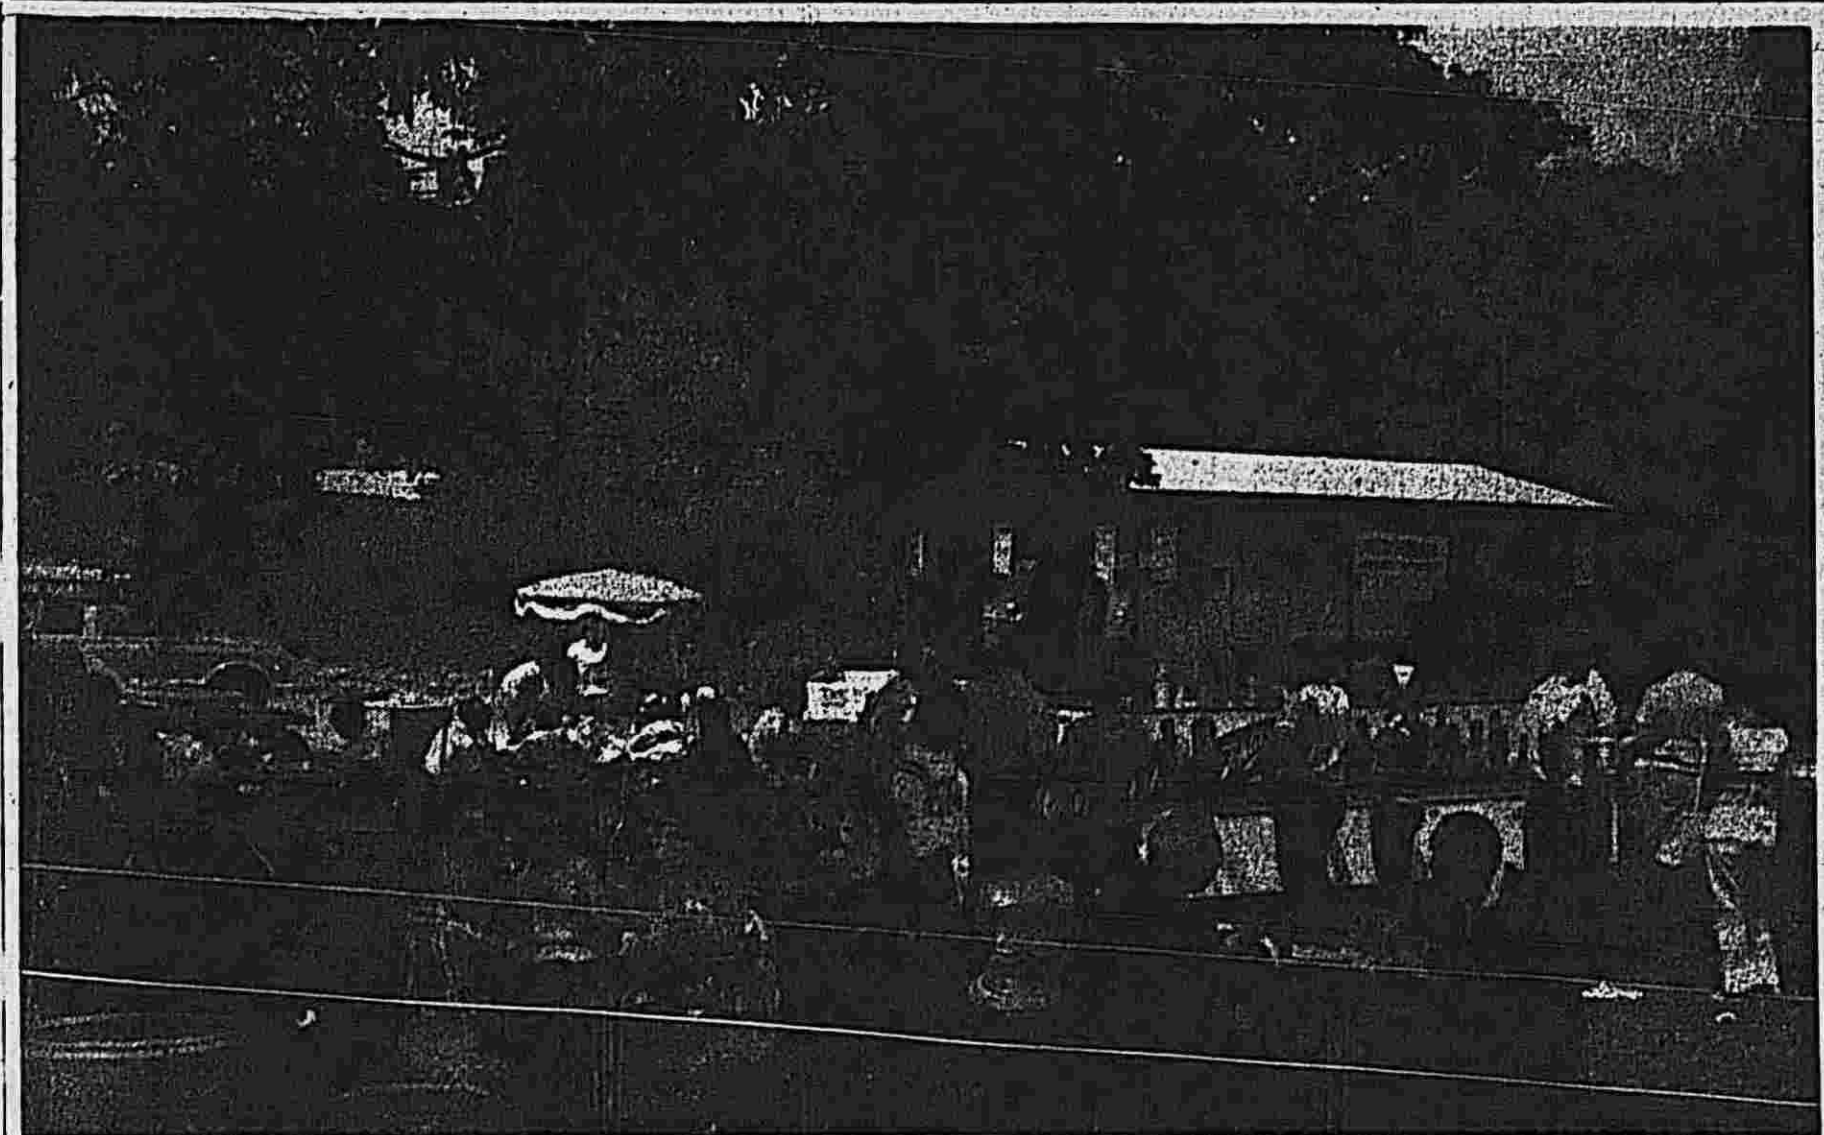

The bodies of two persons, drowned after the crash of two boats in Pistakee Lake Saturday night, have been recovered.

The body of Patty Stein, 11, of Bervyn, was recovered shortly after noon on Monday while that of Ernest Rodell, 34, of Worcester, Mass., was recovered early Tuesday.

The pair were aboard a 20-foot cruiser operated by William Gaps, of McHenry, when his boat was rammed by one operated by Lars Gossel, 52, of Mount Prospect.

Carol Moenhout, 18, of Chicago, and Gaps were recovering in McHenry Hospital from injuries suffered in the crash. Three other in the Gaps boat were injured but not hospitalized.

The Gaps boat sank after the collision.

The Lions Club Annual Picnic and Bar-B-Que drew hundreds of people last Sunday to the Antioch Aqua Center to participate in the yearly festivities. While some munched chicken, others were engaged in children's activities, an auction and viewing a swimming meet.

## Kenosha County Fair On Aug. 7

Kenosha county's 49th annual fair opens this week, Thursday, Aug. 7, for a four-day run at the Wilmet fairgrounds.

Ranking fourth in the top ten fairs in Wisconsin, the Wilmet exposition is held on a vast expanse of the 90-acre available to 4-H and open class exhibits, industrial and commercial displays, a large midway and parking facilities that are expanded and improved each year.

Headline entertainment this year are two attractions guaranteed to please all age groups.

Providing top shows, with quality as high as the budget allows, the Kenosha Fair Association is proud to announce that the famous midwest rock and roll group, The Buckinghams, will appear on Friday night, Aug. 8.

## Kindergartners Can Register For Class

Residents who are new in District 34 and the parents of kindergarten children are urged to register their children now at the Antioch Grade School office, Monday through Friday, from 9 a.m. to 3:30 p.m.

Birth certificates must be presented for the registration of all kindergarten and first grade students. New residents must present transfer cards for all students in grades second through eighth.

The kindergarten fee will be \$7.50, payable when registering.

## Hay Fever Is Back In Season

Ah-choo! That's no summer cold—that's hay fever!

The pollen countdown is about to begin. Sneezin' season strikes again.

Historically, ragweed pollen—the airborne allergen affecting the largest number of sneezers—begins appearing in the summer breezes during the first week of August. Before it all ends, about 250,000 tons of ragweed pollen will have been transported to the millions of Americans who are sensitive to it.

If we're lucky and get an early frost, hay fever season could end shortly after Labor Day, traditionally the heaviest part of the season. Last year, though, ragweed pollen still was appearing as late as October 18. All in all, 1968 was a rough year for hay fever sufferers, with three new record highs and 26 days in which the count was above the average for the date.

The highest count in 1968 was 830 ragweed pollen grains per cubic yard of air, recorded at the North Chicago plant of Abbott Laboratories, where pollen counting has been going on for nearly 40 years. However, that 830 count August 25 last year was not the all-time high. That was a staggering 1,127 ragweed pollen grains on August 31, 1958!

How bad will this season be? (Continued on page seven)

## Funds Needed For Antioch Rescue Squad

The Antioch Lions Club this week has launched its annual drive for support of the Antioch Rescue Squad Fund.

The Antioch Rescue Squad is still in top shape equipment-wise and in trained men and total assets in equipment now has reached \$70,700.

Eighteen men on the squad have advanced instructor cards or better training in first aid and they add up to 124 years of volunteered experience available 24 hours a day.

There is a need, however, for constant replacement and upgrading of equipment and medical supplies, oxygen, gas, vehicle maintenance and insurance costs

## Mrs. Williams Dies At 88 In Antioch

Mrs. Frances E. Williams, 88, of 800 Main St., Antioch, died on July 31 at Victory Memorial Hospital.

Mrs. Williams was born in Dexter, Kansas, and came to Antioch in 1921.

She was a member of the Antioch Methodist Church and the W.S.C.S. of that church, and a member of Antioch Chapter No. 428 Order of the Eastern Star.

Born Frances Elliott she married (Continued on page two)

Maxwell Street Days in Antioch was a huge success last week as thousands took advantage of the bargains offered by merchants in the area to stock up on much needed items. The sidewalk sales exceeded all expectations, especially on a bright sunny Saturday in Antioch.

## EDITORIAL

## Shrine Support

This Saturday strong legs will run so that weak ones may have a chance to walk.

It is the date of the third Annual Lake County Shrine Football Game.

The Lake County Rifles will play the Rockford Rams but the opponents do not make any difference.

No matter who wins the game, the real winners will be the youngsters helped by the Shrine in their hospitals and centers throughout the country.

The prices for tickets to the game are nominal. Many of us spend the \$4, \$3 and \$2 amounts foolishly all year round and never give it a second thought.

Many youngsters from this area have been helped by the Shriners who put on the act as clowns but who have hearts as big as all outdoors.

They have their fun, but the organization has a deeper meaning—helping those who are in no position to help themselves.

We hope that you will dig down deep to pay the price to help these youngsters.

The game is going to be played at Weiss Field in Waukegan.

We hope to see you there.

## Confidence Shaken

The Supreme Court has done it again.

Not the high court this time—but one closer to home—the Illinois Supreme Court.

Two justices have resigned from office and well they should—but the fact that the resignation may have a more far-reaching effect that anyone knows.

Confidence of the people is all that a judicial system has to operate on and when it loses that confidence then the whole judiciary is in for a shaking up.

The American people have already lost confidence in courts that have shown a far too lenient attitude toward convicted felons than has been shown to the victims of these abuses.

And now two Illinois Supreme Court justices have resigned that high post under fire.

Maybe it is time that the people of the State of Illinois look to the polls to rectify what they have done to themselves.

The people passed a judicial article which allows those on the bench to run against themselves instead of running against a person.

We think this is bad.

Who knows how a judge performs as witness the record against Chief Justice Roy J. Solfsburg Jr. and Justice Ray I. Klingbiel, the two resigned justices.

Impropriety has been charged and even if it is not true, in the minds of the people, a justice or a judge should not even be accused of such a thing.

They are only human, it is true, but they are not supposed to be sitting on the bench handing out what has come to pass for justice in our land.

At the present time a special legislation committee is beginning an investigation of its own.

We feel that this investigation should penetrate into every court system in our state.

It is time that the people exercise their rights—and one of them will be in the forthcoming constitutional convention.

There will be a chance to rewrite the judicial article and if the convention is successful, sweeping changes could be accomplished in our judicial system.

We hope they will be.

At this stage—we certainly need some changes.

## Your Congressman Reports....

By Cong. Robert McClory

Issues affecting our domestic and foreign affairs were side-tracked temporarily while the Congress of the United States, as well as the American people, gave their principal attention to man's first round trip journey to the moon and to the broader issue of outer space.

It is 11 years since the Congress enacted the National Aeronautics and Space Act at the request of the late President Eisenhower. Five years later, in 1963, the late President John F. Kennedy predicted that within this decade our nation would land a man on the moon. The Eisenhower program and the Kennedy prediction were fulfilled Sunday, July 20, 1969, when Astronaut Neil A. Armstrong set foot on the lunar surface in the area named the Sea of Tranquility.

In addition to the pride and sense of the national achievement which permeated the United States Capitol, the Members of the Senate and the House of Representatives began preparations for a dramatic joint session at which the Astronauts, Neil A. Armstrong, Edwin E. Aldrin, Jr., and Michael Collins, will appear to report first-hand on the successful 8-day flight of Apollo 11.

The Congressional emphasis has been on the peaceful utilization of space and on the benefits from the substantial scientific fall-out. In addition to the exploratory experiments conducted in outer space, our nation has witnessed outstanding advances in electronics, expanded use of automatic data processing, improvements in world-wide communications through the use of orbiting satellites, and other contributions to mankind. Indeed, these are but a few examples of the valuable dividends which have accompanied our successful space program.

The Congressional deliberations will now be directed toward future activities of the National Aeronautics and Space Administration (NASA). The development of permanent space laboratories, where personnel will be permanently based in orbit around the earth, as well as a possible space station orbiting the moon, are among the future projects to be included in our national space program.

Longer range programs such as possible journeys to the planet Mars are within the realm of possibility before the year 2000. While such journeys would require several months, travel time could be substantially reduced if nuclear energy were to replace the known types of liquid and solid propellants. Meanwhile, the flights of Apollos 12 to 20 will be undertaken with additional landings designed to explore other areas of the moon.

Some Members of Congress, reflecting on the material needs of our less fortunate citizens, space program in order to provide additional Federal funds for the poorer areas of our cities. But those who would abandon the space program fail to recognize the scientific advances, and other broad benefits to mankind which are opened up by programs of space exploration. They appear to lack confidence in the future of mankind.

The prevailing sentiment in the Congress was voiced by the Majority Whip of the House, Congressman Hale Boggs of Louisiana, who declared: "Exploration is really the essence of the Human Spirit, the ultimate human act. God, in his Wisdom, gave men inquiring minds. To deny the eternal quest for knowledge is to deny our humanity...."

"Space exploration is already redounding to the benefit of our science, our technology, and our commerce. I believe space exploration holds even greater benefits—benefits we cannot envision at present—which will aid us greatly in solving our problems here on earth."

## Funds Needed...

(Continued from page one)

run a minimum of \$70.00 a year. Your continued support of the Antioch Rescue Squad, which served 694 persons in the past 12 months, is greatly needed. So when you are called upon to support the organization, remember it is there for your protection in time of need.

## Letters to the Editor

## FRANCES E. WILLIAMS, REST IN PEACE

"I never thought she would die... someone remarked at the funeral home last week. And indeed, while she was alive, Frances Williams left you with that impression. She was always there. Constant. But no cliché should be risked in descriptions and eulogies of the entity that was Mrs. Williams.

If you knew her, you felt what she was by her presence. You felt moral strength, purpose, hope, inspiration, faith, and love together in a sparkle of life. You never noticed the wheelchair that had confined her so many years. You did see the determination, enthusiasm, and courage that ignited her eyes. If you didn't know her, it was indeed your loss and now these words are failures toward description.

X-Rays and medical examinations, completed during her last days indicated a deteriorated condition, beyond that which originally confined her, had existed over a period of some months. The pain and discomfort that must accompany such a condition was never proportionately evident. I saw her in those last days and amazingly, yet typically, her foremost concern was her inability to sustain herself through anything longer than a brief visit. Indeed, her parting words to me were hopeful, expressing confidence in her ability to overcome her predicament.

To her pastor who was departing on an extended vacation from which he has not returned, she remarked, perhaps prophetically, "If I'm not here when you get back, you'll know I've gone to a better place."

Rest in peace, Frances Williams, in that "better place". We who remain envy those with you now.

Robert C. Koemoud

## County Gov't Is...

(Continued from page one)

- ent system of township government? 135 95  
9. Did you find the "Tax Information" pamphlet helpful? 150 80  
10. Do you approve enlarging the holdings of the Lake County Forest Preserve District? 170 50  
The "Tax Information" pamphlet referred to in question nine was sent out to 240,000 Lake County residents along with their tax bills last spring.

From the West Point, Miss., Leader: "Modern history, like those modern pain relievers one hears so much about, is fast-acting. The deluge of events tends to keep up off balance, still adjusting to what has gone before, while new things are happening. Yet at the same time most of us seem inclined to accept yesterday's miracles as today's commonplace."

## ALONG THE WAY with Annie Mae

## COUSINS BY THE DOZENS

That was the order of the day for the Gaston and Shepard family Sunday when all gathered together at Jill and George Pierce's home at Crystal Lake for a get-together. Four generations were represented, beginning with Margaret Gaston, Elizabeth Shepard, Harold Gaston and family and the families of Mary and Bill Terry, Walter and Bev Shepard and the children of Dave and Jolene Switzer, Dave and Kathy Serres and son, Jill and George Pierce and two children.

## RUMMAGE SALE EXTENDED

Little League is extending its rummage sale through this week at 439 Maplewood. All Little League mothers are asked to make their specialty and bring them any time to Mrs. Lindberg at the Maplewood address.

## CHANGE IN DATE

The 16th baseball game between the "Village Fathers" and Antioch Little League Managers was rescheduled to Wednesday night, Aug. 6th, instead of Thursday, due to other commitments. Game time: 7:30 sharp.

## END OF PERFECT DAY

As a climax to the already successful Lions Club Bar-B-Q, Ev and Elaine Oftedahl hosted a party for over 100 of their employees and friends.

## WINS ANOTHER TROPHY

Antioch Water Fight team has another trophy to add to its grow-

ing collection. They won in Lake Villa over the weekend.

## EVERYTHING'S PINK

For Gino and Marie Picchetti of Antioch. A 6 lb. 14 oz. girl named Jacklyn just made her appearance this week. Congrats.

## HELPING HAND

A Special Thanks to Chet Grilanka at the Post Office for helping load the Rescue Squad Mailbox for John Romer, who has a broken arm. John couldn't have managed without you.

## BAR-B-Q NOTES

Each year Lions Club members seem to surpass themselves and have the best chicken ever and the whole event is run smoothly. They have it down to a science now. Congratulations on a job well done.

See you another day,

ANNIE MAE

## Two Mailboxes Are Stolen From Home

Vandals have been at it again at the home of Roy E. Johnson, Rte. 1, Box 436, Indian Point, Antioch Township.

Johnson reported to police that on July 18 thieves stole two mailboxes from their posts in front of his residence.

Johnson also reported that earlier someone had made off with reflectors he had installed on the fence on his property.

## Mrs. Williams...

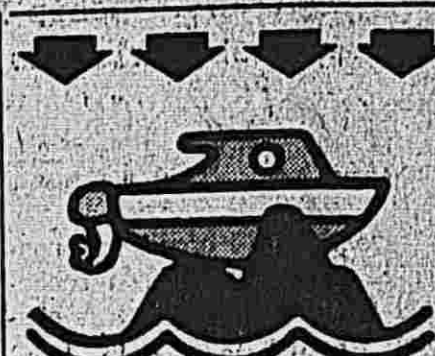

(Continued from page one)

ried the late Dr. Roy D. Williams in 1907 in Dexter, Kansas, and he preceded her in death on Dec. 13, 1963. A son, Dan A., also preceded her in death on May 24, 1968.

Survivors include a daughter, Miss Betty Lu Williams of Antioch, a sister, Mrs. C. H. Douglass, of Wichita, a granddaughter, a daughter-in-law, Mrs. Edna Williams of Des Moines, Ia., a niece and a nephew.

Services were held at 2 p.m. Saturday, Aug. 2, at the Strang Funeral Home in Antioch with the Rev. Bruce Jones of the Lake Villa Community Church officiating.

From the Lawrence, Kansas, Outlook: "In a speech at New Orleans... Justice Thurgood Marshall, the first and only Negro member of the U. S. Supreme Court, stated that black militants who defy the law should be made to face the consequences. He said 'anarchy is anarchy, and it makes no difference who practices it, it is bad; it is punishable and it should be punished. You can't use color for an excuse for not doing what you should be doing,' he told his audience at the predominantly Negro Dillard University. He urged Negroes to reject black militant leadership. It seems that the Justice understands, as many others do, that people who want to create trouble, dissension and discord are taking advantage of a lot of Negro youths to carry out their purposes."

Hundreds of chickens were bar-b-que'd last Sunday as the annual Lions Club picnic turned out to be a huge success. Here members of the committee turn a few of the birds.

A youngster climbs a greased pole at the Lions Club annual bar-b-que in search of money at the top of the pole. This was part of the action at the affair held in Antioch's Aqua Center.

### Kenosha County...

(Continued from page one)  
the Kenosha County Fair, Friday, Aug. 8, when The Buckinghams will be featured as the grandstand entertainment at 7:30 p.m. This dynamic young group has proved it has authentic staying power in the few short years since it hit the chart-breakers of rock 'n' roll groups.  
Evolutionary in style, the public keeps demanding and the disc jockeys keep responding to requests for the down-home sounds of Chicago-reared Buckinghams, and the Kenosha County Fair Association is proud to bring, live, the sounds of "Hey, Baby," "Don't You Care?" "Lawdy, Miss Clawdy" and all the rest of the sensational hits of the five member band of TV, radio and record fame.

From a mixed bag of tuneful influences, the Buckinghams' solid statement of not so simple but simply entertaining musical honesty has emerged.

Their singing is natural and unvarnished. Arrangements include modern, symphonic chord progressions, electronic segments and solid rock rhythms which embellish the singers and their song, without subtracting that basic ingredient The Buckinghams could almost patent, the rarest of virtues, sincerity.

A treat like The Buckinghams has been a long time in coming to the fair, but it's something the association has been working toward in its constant effort to keep the exposition's standing in the top ten of county fairs in the state a permanent position.

The 1969 fair will feature an old-fashioned threshing demonstration every afternoon in the antique machinery area.

A steam engine will power a 1926 Case separator.

Years ago when horses were the main source of power in this nation's farm industry, no fair was complete without a horse-pulling contest.

Teamsters brought their teams from the farm fields and from the wagons of the cities to see who could pull the greatest load.

Last year the Kenosha County fair at the Wisconsin fairgrounds joined the Wisconsin horse-pulling association in bringing back these exciting contests.

You'll see horses weighing up to 2,500 pounds each literally tear up the ground, pulling a loaded stone boat.

Farmers from Illinois and all over the state competed in the event last year. Winner was Marvin Starks of Madison in the heavy weight class pulling 20 tons

### Lerae Wins...

(Continued from page one)  
lege. She wants to take the data processing courses offered at the college. She was sponsored by Stringer Dodge.

Lerae performed a dramatic sketch from the play "Our Town" in the talent competition of the Pageant. She has had numerous roles in plays produced at her school. Dramatics is one of her main hobbies along with sewing, bowling and tennis.

The new Miss Lake Region is five feet tall and weighs a trim 103 pounds. She has brown hair and brown eyes. She was judged in evening gown and bathing suit competition, as well as talent competition, with ten other young beauties from the Antioch, Lake Villa, and Fox Lake area.

The competition was very even and the judges had a hard night's work.

The first runner-up in the Pageant was Miss Pat Johnson of Antioch. Pat is the daughter of Mr. and Mrs. Melvin Johnson of Channahon. She graduated from Antioch Community High School in 1969 and plans to attend Lake County Junior College this fall. Miss Johnson's talent consisted of singing "What Is a Youth" from the motion picture, Romeo and Juliet. She received a trophy and a \$50 Savings Bond from the Lake Region Jaycees for her accomplishment. She was sponsored by Gibbs & Jensen.

Miss Rita Rosol of Ingleside was the second runner-up. Mr. and Mrs. Edward Rosol are very proud of their daughter's musical and singing talents. In the pageant she sang "Something Sort of Grandish" from the screen play, "Finian's Rainbow." Miss Rosol attends St. Xavier College on a music scholarship. She also received a trophy, plus a \$25 Savings Bond from the Jaycees. She was sponsored by Ben Franklin 5 & 10 Store.

Third runner-up trophy was given to Miss Debra Zeason of Lake Villa. Debbie is the daughter of Mr. and Mrs. Raymond Zeason. She performed a monologue depicting a "Doorstep

for a distance of 25 feet, just 2 1/2 feet short of a full pull. The closest competitor pulled the 20 tons for 17 feet, 6 inches. A total of ten teams entered in the heavy and light weight divisions, and more are expected this year, according to Russ Olson, Bassett, chairman of the event.

Don't miss this novel entertainment at 1:30 p.m. Saturday, Aug. 9.

Salesman" for the talent competition. Debbie graduated from Antioch High School this spring and plans to attend Bradley University this fall where she will take up public relations and education. She was sponsored by the State Bank of Antioch in this pageant.

Miss Kathryn Heitkotter was awarded fourth runner-up trophy. She is the daughter of Mr. and Mrs. Rudolph Heitkotter of Wauconda. Kathy is a very talented seamstress and fashion designer. For her talent she displayed some of the clothing that she has made. She was sponsored by the First National Bank of Antioch.

Miss Nancy Kumpier was voted the most congenial girl by the other contestants in the pageant. She was given a trophy by the Jaycees. Miss Kumpier graduated from Antioch High School and will enter Lake County Junior College this fall. She was sponsored by Charming Products.

The Jaycees want to thank everyone who cooperated on the pageant. They especially want to thank the businesses that sponsored the eleven contestants in the pageant. Without these sponsors there couldn't be a pageant for these girls to enter. They hope that in some way this pageant has shown the youth of our area that they are very much interested in their talents and personality.

### Alcoholism Council Benefits From Steer

The Grand Champion steer of the Lake County Fair, owned by Bob Bendall of Lake Villa, was bought by Joe Hoffman of J. E. Hoffman & Company of Mundelein.

Hoffman then proceeded to resell the animal to the Burkey Packing Company of Grayslake with the proceeds going to the Lake County Council on Alcoholism.

The Council provides services for alcoholics and their families throughout Lake County, and depends upon the public for financial support.

Moving slowly or at full speed, a hare or a rabbit never walks, but travels in a series of leaps. The hop may be lengthened, but the pattern of the tracks is always about the same: in front are two large imprints side by side; centrally lined up at the rear are two smaller prints, one behind the other.

### Pollution Fight...

(Continued from page one)  
by neighboring states adjacent to Lake Michigan.

Percentage of days showing substandard results ranged from a low of 45 per cent at Illinois Beach State Park near Zion to a high of 100 per cent at Ravine Drive beach in Highland Park.

In the matter of an apparent conflict concerning the Waukegan beaches, as a courtesy, the Lake County Health Department laboratory did bacteriological tests on 21 water samples submitted by Waukegan city personnel from July 22, to July 29. These samples were collected by city employees. Fourteen came from Waukegan bathing areas. The areas. The average bacteria count of five samples from one bathing area and seven samples from other areas were unsatisfactory in terms of Illinois Sanitary Water Board criteria. This means the water quality was unacceptable for swimming.

On the weekly radio program "This Week in Lake County," Dr. Smith said, "It is possible, through swimming in what is a dilute solution of sewage, to develop skin, ear, eye or intestinal infections."

Regarding the main cause of pollution, Smith said, "What we must do is take steps to absolutely prevent the discharge of untreated sewage into the lake. We need a degree of community organization between municipalities and the proper authorities to establish policies that will permit the financing and implementation of engineering recom-

### Gallagher Completes Insurance Seminar

LeRoy Gallagher, Country Companies insurance agent in Lake County, attended a commercial property and casualty insurance seminar that was held July 28-August 1 on the campus of Illinois Wesleyan University in Bloomington.

Purpose of the seminar was to provide technical information and

recommendations to eliminate the problem.

Citing a Health Department survey done in 1965, Smith declared, "This problem is certainly not new. Four years ago our department listed five recommendations for control of water pollution along the Lake Michigan shore which, I believe, are still applicable. They are: 1) Standards be established governing discharge of wastes into the lake. 2) Municipal sewage treatment plant wastes be given secondary biological treatment before treatment effluents be discharged. 3) Sewage agencies effect programs to minimize overflow of sewage to storm sewers and creeks, and by-passing of sewage around treatment plants. 5) That evaluation of potential hazards to public health through use of Lake Michigan beaches be performed by a competent advisory body composed of physicians, bacteriologists and engineers, representative of municipalities in Lake County and the north shore of Cook County.

CLC may provide additional community services." Dr. Mason explained the purpose of the non-credit courses is to meet specific needs in the communities served by the college. He noted these programs may result in one-day seminars, special evening programs, or workshops ranging in length from a few days to several weeks.

An important aspect of the evening program is that it enables many people who work full-time or have daytime family responsibilities to take advantage of the College program. Dr. Mason pointed out that the many career-oriented classes provide an opportunity for persons to prepare themselves for a new occupation or move ahead in their present field through added training.

Tuition at CLC is \$7 per semester hour for residents of the Junior College District. Persons living outside of the District also pay \$7 per semester hour, plus the non-resident student's cost of education. Non-residents may apply to their local high school administrator for financial assist-

sales information in the area of commercial insurance coverage. Instruction was provided in all phases of commercial property and casualty insurance.

Gallagher has completed several other company-sponsored life, health, fire and casualty courses. He has been a member of the Country Companies agency force in Lake County for one year.

### CLC Offering...

ance, in accordance with the Illinois Junior College Act.

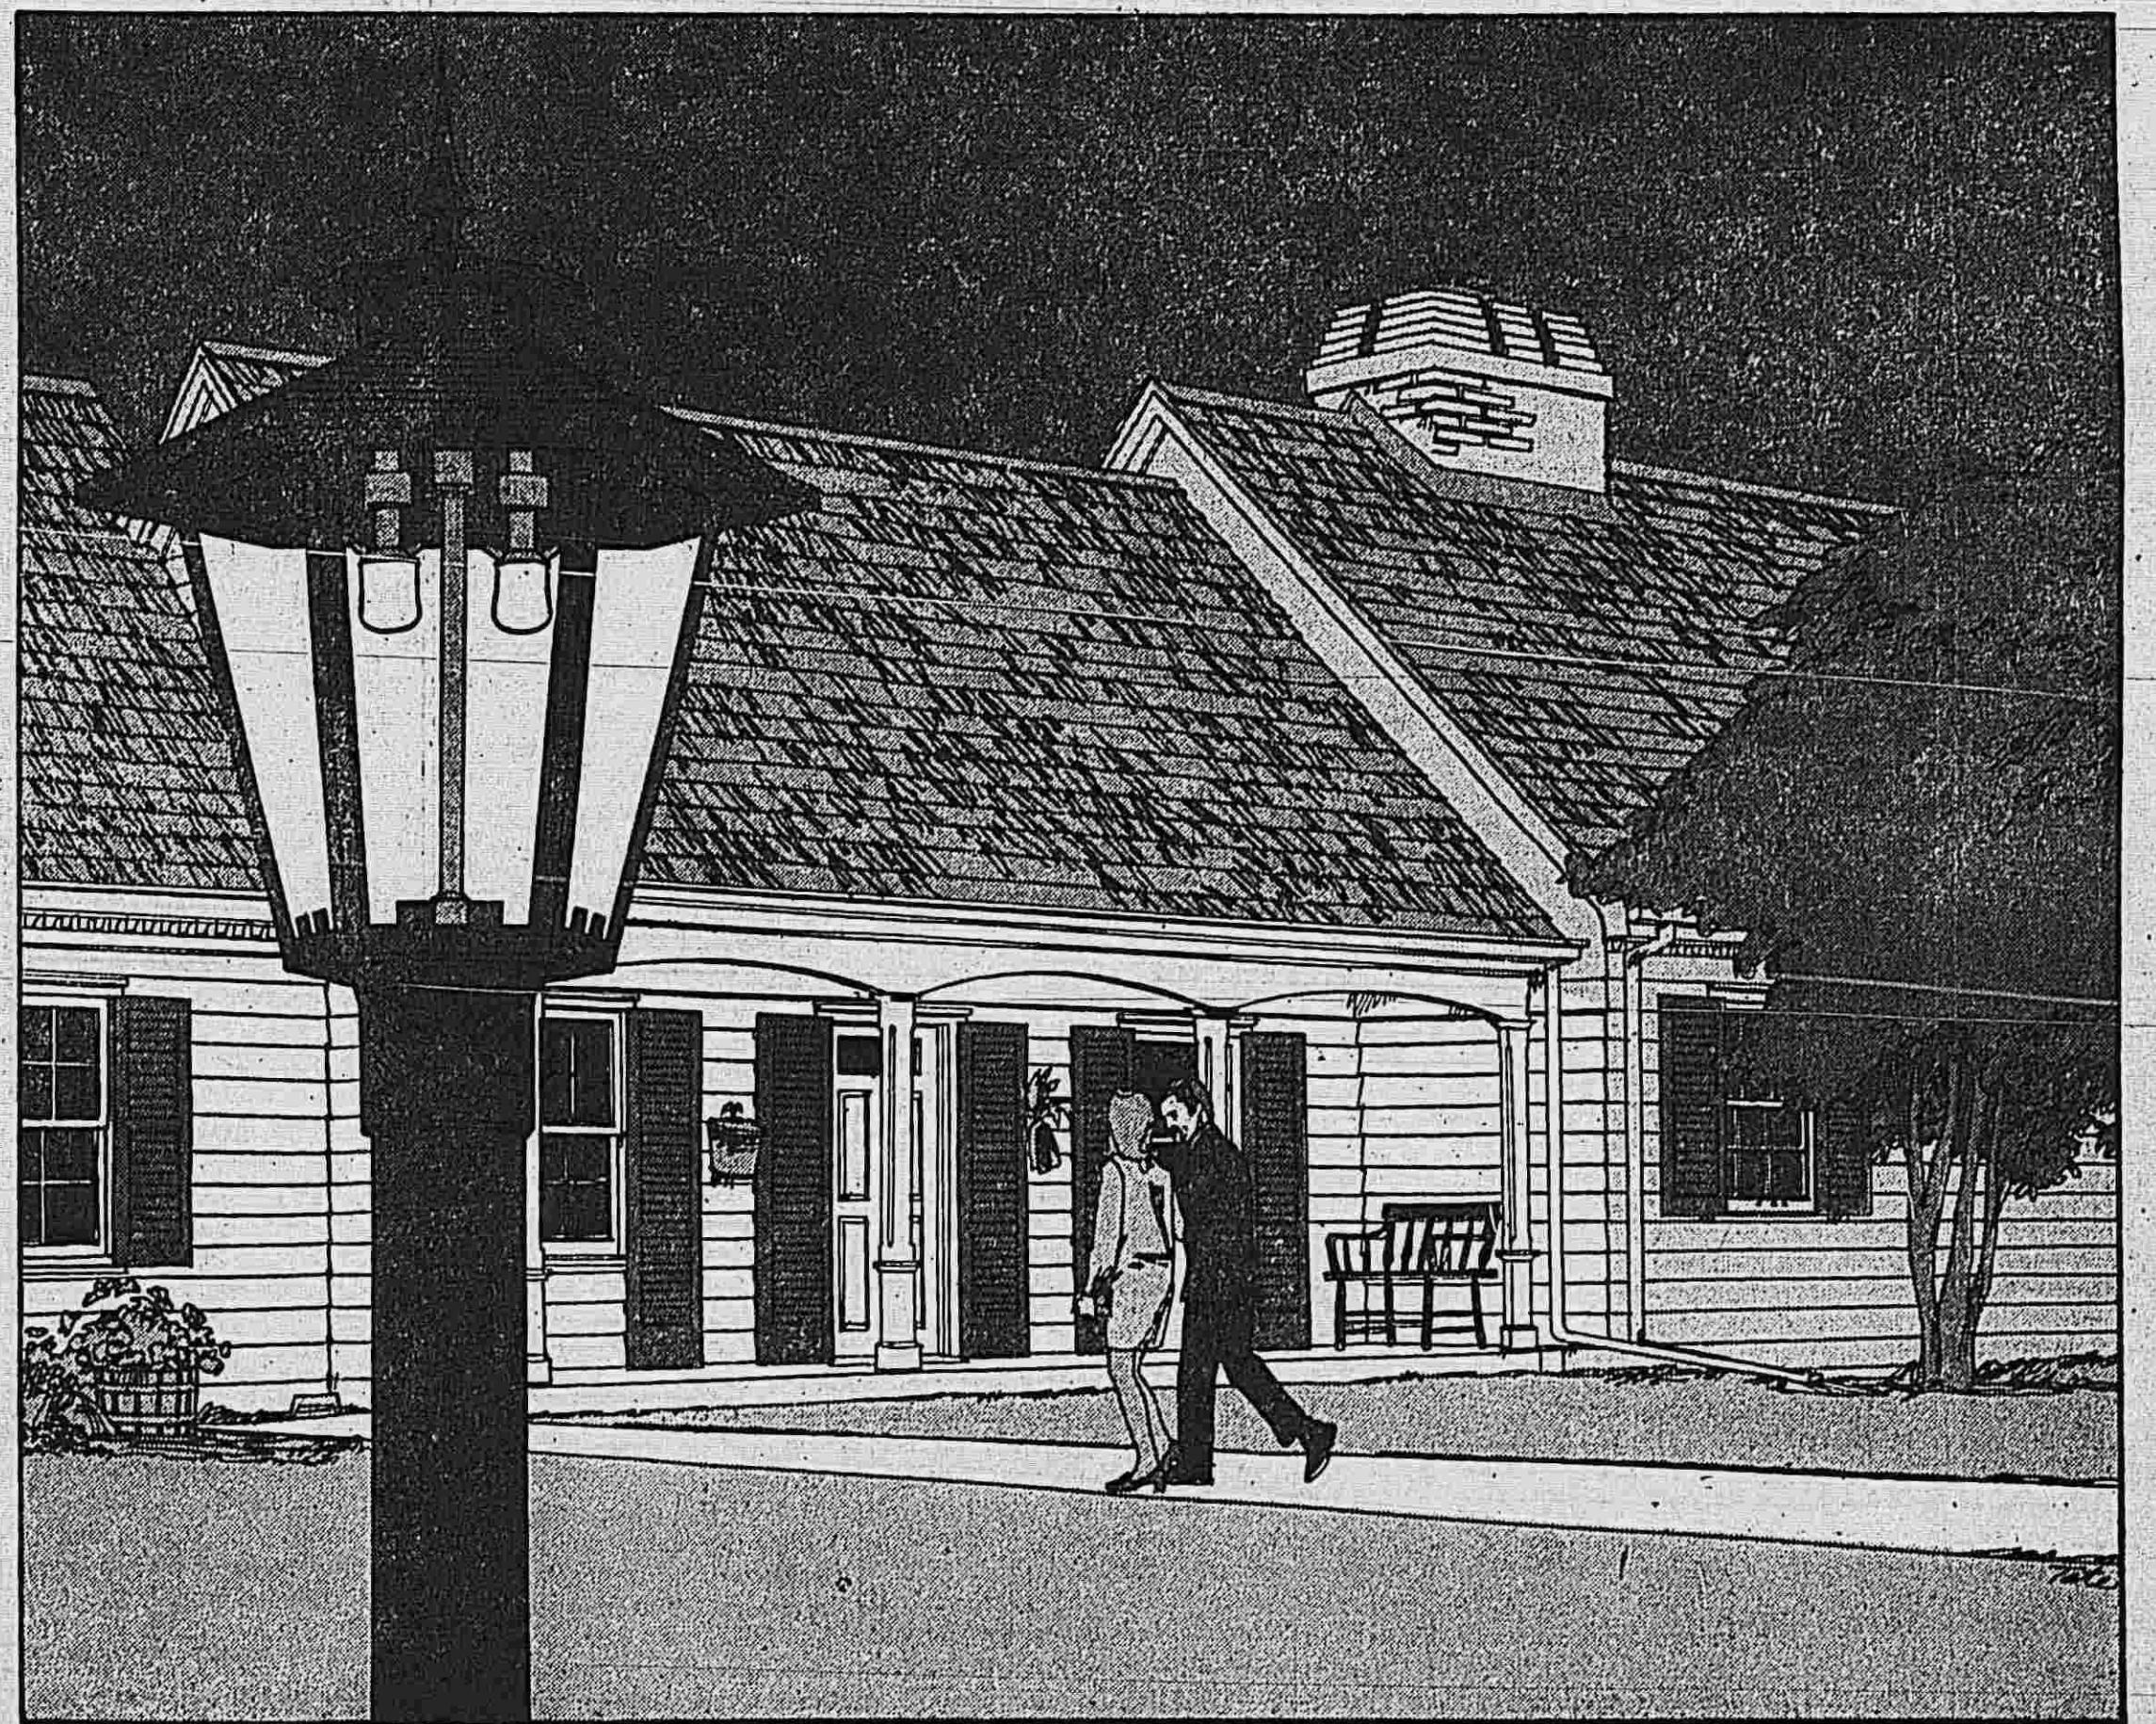

Applications for admission and evening class schedules are available at the College of Lake County Office, 2615 W. Washington, Waukegan. Persons may call or stop in between 8:30 and 5 p.m. for additional information, Dr. Mason said.

To date, more than 1300 persons have applied for admission to the

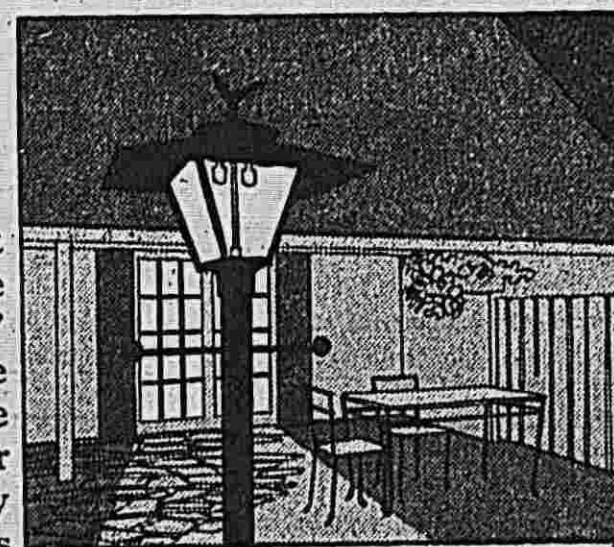

College. Classes will begin Sept. 11 in the new interim facilities on Bruce Lake Road, just west of Rte. 45 at Grayslake.

Flying squirrels do not actually fly. Their "flying" equipment consists of thin, loose, furry membranes extending on each side of their bodies between the fore and hind limbs.

## "In" guard.

A gaslight protects your home in style... never darkens your door.

The soft, warm glow of a gaslight flatters any home. That's why they're so fashionable. But gaslights are "in" for another reason—because they're always on. They guard your home with light. A great comfort, whether you're home alone on a dark, stormy night, or off on a vacation. Gaslights

help prevent accidents, too...and who needs lawsuits or hospital bills? Styles range from Early American classics to cool contemporaries, post or wall models, to go with any architecture. Pick a pair for your home, front and back, at your dealer's. Or phone us.

Mr. and Mrs. Terry Eckert

## Patricia Boles Wed In Antioch

St. Stephen's Church in Antioch was the setting for the wedding of Patricia Boles, daughter of Mr. and Mrs. Lee Boles of Fox Lake to Terry Eckert, son of Mr. and Mrs. Richard D. Eckert of Antioch.

The bride wore a floor length bouffant gown of white nylon sheer and chantilly lace over bridal satin with a detachable

watteau chapel train. The bodice was fashioned with a scalloped neckline and long bridal point sleeves. Her headpiece was of pearls and lace flowers with imported illusion bouffant veiling. She carried a bouquet of white orchids with stephanotis and ivy.

Honor attendant, the bride's sister, Donna Lill, wore a mint green gown and carried yellow daisies. William Eckert served his brother as best man. Ushers were Robert Boles and Robert Cunningham.

A reception for all the guests was held immediately following the ceremony in the church parlors. Four friends of the bride, Sue Killins and Ann Becker of Fox Lake, Maxine Pryor of Chicago and Arlene Wegner of Antioch poured and attended the guest book.

After a small champagne party at the home of the groom, the couple left for a short honeymoon in Chicago.

Out of town guests included the bride's grandparents of Chicago and the groom's grandparents of Seminole, Florida.

Mr. and Mrs. Eckert are now at home at 261 North Main Street, Monroe, New York, near West Point, where Terry is stationed with the 50th Engineer Company of the Army.

## Church School Set For Summer Classes

Vacation Church School for summer '69 will be held weekdays from Monday, August 11 through Friday, August 22, at the Antioch United Methodist Church, 848 Main St. Classes will meet from 9:30 a.m. to 11:30 a.m. with light refreshments served during the morning.

This year for the first time the classes will include pre-kindergarten through the sixth grade. Pre-kindergarten will include those children who will enter elementary school kindergarten this coming September. The remaining grades will be based on the elementary school grade your child attended during the past school year.

For further information please contact the church office or Mrs. John R. Laude, 395-4136.

## Former Antioch Residents Get Home Visitors

Former Antioch residents, now of San Diego, Calif., Morris and Jane Verkest and family, had the pleasure of a week's visit from home town relatives.

Mrs. Kate Verkest and Florence and Otto Hanke were making a camper trip from Milwaukie, Oregon, for a family wedding and came down the coast to San Diego and went on to Las Vegas and to Independence, Mo., and home again.

The wedding of Don Verkest and Miss Jettnie Becker took place on July 12th, in Milwaukie, Ore. Don is a former Antioch Township High School graduate of '62 and served four years in the Air Force and is now with Pacific Telephone of Portland, Ore.

Hillside Ave. & Route 59  
Antioch, Illinois

THE CHURCH ON THE HILL INVITES YOU TO WORSHIP ON SUNDAYS AT 9:30 A.M.

## Mrs. Edward Jahneke Receives High Honor

At the recent Department (state) Convention of the Illinois American Legion Auxiliary, held in the Sherman House in Chicago, the 10th District Auxiliary and a number of their members received many honors.

Mrs. Edward Jahneke, Antioch, was the recipient of a large Citation plaque from the state American Legion, honoring her for "the prodigious amount of publicity written regarding the 50th Anniversary of the American Legion."

Mr. William Bicket of Zion, owner of radio station WZBN, also received a citation for the radio coverage given the 50th Anniversary, as did representatives from NBC, ABC, and radio announcer Wally Phillips. These people were designated as "Distinguished Guests" of the state American Legion, throughout the Convention.

The 10th District Publicity Press Book, compiled by Mrs. Jahneke, Chairman, won second place in state competition. Mrs. Jahneke presented Mrs. James T. Phelan, State President, with the Department Press Book, since she had also compiled this Press Book from thousands of publicity releases sent to her from throughout the state.

A National Legislative award was given to Mrs. William Sharvin Unit, Department Legislative

Chairman, for outstanding work in legislative matters, by the National Executive Committee-man Robert Noomer. The Sharvin, Libertyville and Deerfield Units received personal awards from Mrs. Schultz for fine legislative programs this past year.

Mrs. Richard Brady, Gurnee, District President, was presented a personal present from Mrs. Marie Ennis, State Auxiliary Loan, Education and Scholarship Chairman, for her efforts in the promotion of this program.

Seven units were given awards since they were "over Quota" in membership. The 10th District received a Certificate of Appreciation for their participation in the Stamp Album and cancelled stamp project, part of the rehabilitation program for the hospitalized and disabled veterans. The Sharvin Unit Juniors also were given a Certificate of Recognition for their narrative report of their work with other organizations in this program.

Awards were given to Mrs. Robert Broege, Deerfield, District Historian; Mrs. Ted Odom, Libertyville, District Child Welfare Chairman, and Mrs. Frank Gates, Waukegan No. 281, for their 100 per cent reports.

Special recognition by Mrs. Phelan, State President, resulted in her convention appointments of Mrs. Norman Holt, North Chicago, as Department Page; and Mrs. John Mould, Waukegan, and Mrs. Al Dorn, Mundelein, as Judges of Election.

Mrs. Mary Read, Round Lake, received a Certificate and Veterans' Craft Banner for having sold the largest amount of veterans' Craft in 10th District. Mrs. Burt Anderson is the Antioch Unit Veterans Craft Chairman.

A Citation was presented 10th District for their participation in the state coupon program.

Through the efforts of Mrs. Henry Heinsohn, Lake Zurich, District Coupon Chairman, Antioch Unit Chairman Mrs. Ralph Fields, and others, this program was successful in obtaining a Seeing-Eye Dog for a blind veteran, and for donating some \$3,000 for handicapped children at Lincoln and Dixon State Schools.

Under the National Security program, a U. S. Treasury representative gave Citations to Mrs. Gerald Wegner, Lake Forest, District National Security Chairman; and the Highland Park, Deerfield, Gurnee and Waukegan No. 281 Units for their support of the U. S. Savings Bonds Program.

Through the state past president's parley program, sixteen young high school seniors received 375 nursing scholarships. The sum of \$1,500 was also contributed to the maintenance of the Veterans' Craft Shop. Donations from past president's parleys made possible this program. All in all, it was a most successful and rewarding convention for the 10th District American Legion Auxiliary.

## Co-op Clubs Set Meeting Dates

The Co-Op Garden Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington Street, Waukegan (in the basement of the Co-Op Food Center), on Thursday, August 14, at 7:30 p.m.

Mrs. A. C. Leiter, authority on Organic Gardening, will speak on "Nature's Own Corner." This is the name for a market which Mrs. Leiter and her three sons are constructing on their farm on Route 63 in Gurnee where organically-grown fruits and vegetables will be for sale in the fall.

Mrs. Francis Rutkowski, president, invites the public to attend. The Co-Op Travel Club will go to the House on the Rock Near Spring Green, Wisconsin, on Saturday, August 16th, departing from the Co-Op parking lot at 2424 Washington Street in Waukegan.

The \$14.75 fee per person includes bus transportation, lunch at the Spring Green Restaurant designed by Frank Lloyd Wright, the tour of the House and dinner at the Thymes.

For reservations call Mrs. Margaret I. Shelton at TR 2-2934 after 6:00 p.m. Non-club members pay one dollar extra.

**BIRTH ANNOUNCEMENT**  
Born to Mr. and Mrs. Peter Tancredi, of 35 B. Rowland St., Marblehead, Mass., a daughter, at Salem Hospital, August 2, 1969. Grandparents are Mr. and Mrs. Walter Good of Boca Raton, Fla., and Mr. and Mrs. Saberio Tancredi, of Barre, Mass.

The tiny kangaroo rat with its powerful hind limbs can cover more than six feet at a single leap.

Carol Silianoff

## Announce Engagement

Mr. and Mrs. Gordon Silianoff of Antioch, announce the engagement of their daughter, Carol Ann, to Thomas M. Furlan, son of Mr. and Mrs. John Furlan, of Antioch.

Carol Ann is a 1968 graduate of Antioch High School, graduated from Mueller's Beauty School of Waukegan, and now is working at Eugene's Hairdressing Salon in Barrington. Tom is a 1963 graduate of Antioch High School, veteran of Vietnam, and is employed as a carpenter in Zion.

A November wedding is being planned.

## Legion Auxiliary

By Del Jahneke

The Antioch American Legion Auxiliary No. 748 will hold their first meeting on their newly changed meeting night, when they convene on Monday, August 11th, at 8:00 p.m., at the Antioch American Legion Home. Reports will be given on the Legion Carnival. Plans and preparations for the forthcoming joint installation of officers on Friday, Sept. 12th. The hostess chairman is Mrs. Walter Hills. Mrs. Bernard Stedick, President, will conduct the meeting.

One of the social highlights of the 10th District American Legion Auxiliary year will occur on August 13th, at 8:00 p.m. at the Waukegan American Legion Home; when the Installation of District Officers takes place. Mrs. John Mould of Waukegan will be installed at District President; Mrs. Robert Broege, Deerfield, the District Vice President; Mrs. Joseph Hogue, Waukegan No. 281, the District Historian; Mrs. Charles McCormack, Mundelein, District Treasurer; and Mrs. Everett Ainsworth, Lake Forest, as District Sergeant-at-Arms. Philip Strand, Libertyville, as District Chaplain; and Mrs. Richard Brady, Gurnee, District Secretary. Mrs. Brady will also be presented with her Past District President's Pin. The installing officer is to be Mrs. Walter Wiles of Des Plaines, a past Department (state) President.

An anticipated crowd of some 300 people are expected to be in attendance.

One magazine reports that the topic of discussion at a recent meeting of the Westchester County Library association was "Fiction Today, or, Nobody Knows the Trouble Obscene."

## Where The Boys Are

GUAM, July 23—Aviation Electronics Technician Third Class Wayne R. Slagle, USN, son of Mr. Robert H. Slagle of Route 2, Antioch, and husband of the former Miss Elaine A. Pate of Route 2, Kenosha, Wis., was advanced to his present rate while serving with Heavy Photographic Squadron 61, Naval Air Station, Agaña, Guam, in the Mariana Islands.

His advancement was based on time in service and rate, military appearance, performance of duties and his score on the Navy-wide test for promotion.

The squadron flies the RA3B Skywarrior on reconnaissance missions in the South Pacific and in Southeast Asia.

Before entering the service in March 1968, Petty Officer Slagle attended Rockford College in Rockford, Ill.

Fireman Allan G. Deffar, USN, ward of Mr. and Mrs. Emil De Har of Bristol, Wis., has completed Basic Propulsion Engineering training at Naval Training Center, Great Lakes, Ill.

The nine-week course provides him with the fundamentals of engineering science and ship propulsion machinery.

He is now beginning training in the Boilerman rating.

\*\*\*

Aviation Ordnanceman Third Class Robert L. McKeand, Jr., USN, of Route 1, Salem, Wis., is serving aboard the nuclear powered aircraft carrier USS Enterprise now en route to Norfolk, Va., from Alameda, Calif.

The ship is scheduled to undergo a year long overhaul period in Virginia. During that time the ship's nuclear fuel core will be replaced. The new core will give the ship a 10 to 15 year supply of fuel.

During the month-long voyage to Norfolk the ship will experience the full range of Pacific weather conditions, from the equatorial sun to the raging winter seas of the Straits of Magellan.

The Enterprise is also scheduled to make a four day stop in Rio de Janeiro, Brazil before arriving in Norfolk.

\*\*\*  
USS Saratoga, July 30—Airman Dennis M. Hesselberg, USN, son of Mr. and Mrs. Joseph Hesselberg of 221 N. Leonard, West Salem, Wis., is serving aboard the aircraft carrier USS Saratoga.

The ship is currently on its ninth Mediterranean deployment. It is scheduled to visit such ports as Naples, Italy; Barcelona, Spain, and ports on the French Riviera.

## NITE-OWLS PLAN OUTING

Mrs. Betty Janega was hostess for her canasta club, the Nite-Owls, last Friday evening. Three tables of cards were played, with Dolores Povallaitis being the high scorer.

## VACATION

John and Georgia Sutherland visited their son, Stanley, at Purdue University in Lafayette, Ind., over the weekend recently. Stanley is a teacher at Mount Prospect High School and is going to school on a four year grant to get his degree. This was his first summer there. He has been quite busy weekends. One weekend he was host to his Senior graduating class, treating them to a Splash Party at the Antioch Pool, another weekend found him flying to Washington, D.C., being best man at a wedding there, and another Saturday he was an usher for Bob Thomley's wedding here. The Sutherlands attended a High School band concert while they visited with Sitan. On the way home Sunday, they visited with Georgia's sister in Chicago, and then they brought their niece and nephew, Christine and Billy Soderberg back with them for four days. They took the children to the Milwaukee Zoo one day.

## BIRTHDAYS

We wish our neighbors a very happy birthday. They include twins Mary Kay and Joseph Bourque, Steven Michael Spahn, Michele Kathleen Fabry, Carol Fyrborg, David Finley, Ricky LaChance, Vicky Manuel, and Judy Sokup, Terry Joerns and Pamela Ann Hlavin.

## ANNIVERSARIES

Congratulations to Chuck and Cathy Schrover on their 14th wedding anniversary Aug. 13. And to John and Mary Ann Hay on their 20th anniversary on Aug. 12. Mark and Gain Nelson will be married just a year on Aug. 10. Alvin and Hilda Huntington celebrate their 28th anniversary on

## CHRISTIAN SCIENCE CHURCHES

"No man hath seen God at any time. If we love one another, God dwelleth in us, and his love is perfected in us. Hereby know we that we dwell in Him, and He in us, because He hath given us of his Spirit."\*

This verse from 1 John is part of this Sunday's Christian Science Lesson-Sermon on "Spirit." The services begin at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch.

A related passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Every trial of our faith in God makes us stronger. The more difficult seems the material condition to be overcome by Spirit, the stronger should be our faith and the purer our love."\*\*

\*1 John 4:12,13  
\*\*page 410

Aug. 8. Gerald and Barbara Ann Neophitos will be married 2 years on Aug. 12. Jim and Margaret Jilly 3 years on Aug. 7. Aug. 13 John and Rae Gibbons will be celebrating their fifteenth wedding anniversary. And Ted and Ethel Brendel will be married 20 years on Aug. 14. Our very best to all our happily married neighbors.

**DRIVING FOR TRAFFIC SAFETY**  
by Paul Powell  
Secretary of State

It's a known fact that for too many accidents occur on clear days on dry, straight stretches of paved highway.

The only conclusion that one seems to be able to draw, when this phenomenon is analyzed is that the motorist, when he has "clear sailing"—good weather and all other good driving conditions, relaxes.

Driving a car in present day heavy highway traffic makes it absurd to think for one second that a motorist can relax at any time when he's behind the wheel. This, of course, does not mean that you should be tied in a knot constantly when driving. But it does mean that you must be aware of your obligations on the highway. Even if you are alone, on the highway, your own life is worth saving. That bridge abutment or telephone pole is pretty solid when you connect with it.

For your copy of "Rules of the Road" write to Paul Powell, Secretary of State, Springfield, Illinois 62706.

**FUNERAL NOTICES**  
THOMAS L. LEWIS  
Thomas L. Lewis, 56 years old of Treavor, Wis., passed away Tuesday, July 29, at 10:50 p.m. in Victory Memorial Hospital after a three year illness. He was born March 12, 1913 in Europa, Miss., and moved to Treavor in 1950.

He had worked for the Simmons Company for 11 years before his employment with American Motors before his employment with American Motors. He had worked on the assembly line for 6 years at American Motors and retired three years ago from that occupation. He held membership in Local No. 72 of the UAW at Kenosha.

He is a former member of the "Church of God" in Mississippi. He married Verna Jones on Sept. 7, 1940 in Clarksdale, Miss.

Survivors are his wife, Verna, one son Bob G. Lewis, of Antioch, four brothers, Ellis Lewis, Rochester, Texas, J. P. Lewis, Columbus, Miss., Joe L. Lewis, Cleveland, Miss.; three sisters, Mrs. Eula (Omar) Baker, Alexandria, Va., Mrs. Mary Carver, Lake Alfred, Fla., Mrs. Edna (Bud) Pernell, Greenwood, Miss., and three grandchildren.

Funeral services were held at 10:30 a.m. Saturday, Aug. 2, at Lakeshore Tabernacle at 8939 39th Ave., in Kenosha. Rev. J. E. Broker of that church officiated. Interment was in Liberty Cemetery. Friends called Thursday evening at the Strang Funeral Home in Antioch.

**JOHN CICHOWSKI**  
John Cichowski, a long time summer resident of Antioch, and a resident of Champlain Lake, Antioch for 22 years, died on July 31. Services were held last Monday.

Mr. Cichowski is survived by his wife, Bernice C., a daughter, Mrs. Bernice Kozlowski, a son, Edward C., several grandchildren and great-grandchildren.

**SALLY ALICE DOTY**  
Sally Alice Doty, 23 months old of Town Line Road, Lake Villa, passed away at 3:40 a.m. on Monday, August 4, in Victory Memorial Hospital from injuries received when struck by a car at 6:00 p.m. Sunday. She was born Sept. 20, 1967 at Waukegan and had lived since at Lake Villa.

She is survived by her parents, Charles B. and Paula Doty, of Lake Villa, two brothers, Charles and Richard, both at home, the maternal grandmother, Mrs. Virginia Zeien of Antioch, paternal grandparents, Dr. Warner and Rose Doty, of Antioch; maternal great-grandfather Paul Zeien, of Ft. Lauderdale, Fla., paternal

## FUNERAL NOTICES

THOMAS L. LEWIS  
THURSDAY, AUGUST 7, 1969

great-grandmother Mrs. Rose Butlar, of Antioch.  
Funeral services were private at 11 a.m. Wednesday at the Strang Funeral Home in Antioch. Rev. Father Karolan of Prince of Peace church will officiate. Interment will be at Mt. Carmel Cemetery at Antioch. Friends called from 7 to 9 p.m. at the Strang Funeral Home. Memorials may be made to the Lake Villa Rescue Squad in memory of Sally.

**MRS. KAREN HENDRIKSEN**  
Mrs. Karen Hendriksen, 31 years old of Zion, Ill., passed away Monday, Aug. 4th, at 11:40 a.m. in Lake County General Hospital. She was born Jan. 11, 1888 in Stavanger, Norway and came to America in 1905 to live in Fargo, North Dakota, then moved to Chicago in 1907, and to Antioch in 1956, and has lived at Zion since 1964.

She is survived by one daughter, Mrs. Ingeborg (Albert O.) Wieghart, Zion, Ill., one son, Henry Hendriksen, St. Paul, Minn., and four grandchildren.

A memorial service was held at 2:00 p.m. Wednesday, Aug. 6, at the Strang Funeral Home. Mr. Edwin Olsen as reader from the First Church of Christ, Scientist, officiated. Memorials may be given to the First Church of Christ, Scientists, in lieu of flowers.

**NICK NEDELCOFF**  
Nick Nedelcoff, 82 years old of East Loon Lake Subdivision near Antioch, passed away at 8:05 p.m. Saturday, August 2nd in Victory Memorial Hospital. He was born June 9, 1887, in Bulgaria and came to America in 1910, where he worked on the railroad as a section hand, and moved to Antioch in 1926. He had worked at the Antioch Packing House for 43 years and at Downey V.A. Hospital for 3 years. He served in the U. S. Army during World War I and is a member of the Antioch American Legion Post No. 748.

He is survived by one half-brother Jordan Hadjiev, of Chicago and one sister, in Bulgaria. Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. The Rev. L. H. Messersmith of the Millburn Congregational Church officiated. Interment was in Home Oak Cemetery near Antioch. Friends called at the funeral home after 3 p.m. Monday.

THE ANTIOCH NEWS-6

## Second Week's Winners Named

The second week of the Chain O' Lakes Fishing Derby got underway with excellent fishing results.

The Chain has been plagued with 16 weeks of rain and high water. Relief is now in sight and the waters are receding, making for superb fishing. With the high water fishermen found themselves in competition with all the natural food from runoffs of the fields and highway drainage resulting from the excessive rains.

With four more weeks of the Fishing Contest, to go Ed Krupo, president of the Resort Owners Assn. said that the quality and quantity of Chain O' Lakes fishing should be excellent. Contest fish are open to seven categories of the most popular fish on the "Chain."

A special feature of the contest this year is the Sweepstakes Drawing held on Friday nights at 8 p.m. at the State Bank of Antioch. After all the large fish are chosen then all remaining entries are put in a drum and 4 entries are drawn so that even the small fish can win.

Prizes consist of all types of fishing equipment with grand prizes of Johnson Outboard Motors for the six week Fishing Derby. The State Bank of Antioch and Pepsi Cola General Bottlers of Chicago, Inc., in association with the Chain O' Lakes Resort Owners Assn. co-sponsor the contest. No purchases are necessary to enter and the Fishing Derby is a highlight event of this most popular northern Illinois resort area.

Second week winners, July 25 to July 31:

### NORTHERN PIKE:

1st, John Tomasik, Lindenhurst, Johnson Rod & Reel  
2nd, Richard A. Lewis, Jr., Chicago, Plano Tackle Box  
3rd, George Eck, Antioch, Mepps Pike Lure Kit  
4th, Ray Phillips, Chicago, Rapala Knife.

## Spring Grove Horse Fair On Aug. 16

The 5th Annual Spring Grove Horse Fair will be a two day affair this year with a pony show on Saturday, August 16th, and a horse show on Sunday, August 17th, starting each day at 10 a.m. Twelve competitive events highlight the affair at the Spring Grove Elementary School.

Object of this community fund-raising affair is the purchase of playground equipment and black topping of the grounds. To be repeated this year are the features which last year netted \$2,600 from participants' fees, sponsorship of more than 80 merchants, a Texas style barbecue on Sunday only, where adults can enjoy a complete roast dinner for \$2, children for \$1.25, and other fund raising ideas.

Special attractions of the horse fair, which caters to adults as well as young equestrians, will be the Chain O' Lakes 4-H Drill Team, and on Sunday, the Show Boat with Jimmy McFarland's Dixie Band will appear. Saturday evening entertainment includes a dance band with local teenagers.

The junior horse show, more in the nature of a gymkhana, will again have 12 events including speed and action, jumping, barrel and stake racing and other competition. Participants in each event compete for a first place trophy will be awarded each day. Entrance fee is \$1 per event.

Completing the fair's activities will be a bazaar of homemade foodstuffs, tack wagon, and roast corn, tacos, bratwurst and other concessions. Admission to the fair is free. John Thompson, a candidate for Con. Con, is the general chairman for the 5th consecutive year.

Spring Grove is situated in northeast McHenry County about 50 miles from Chicago on U.S. Route 12.

### WALLEYE:

1st, Walter Tomasik, Westchester, Ill., Johnson Rod & Reel  
2nd, Kenneth G. Karasek, Westchester, Ill., Plano Tackle Box  
3rd, Richard Edell, Chicago, Mepps Pike Lure Kit  
4th, Prizer, Theodore B. Finger, Crystal Lake, Ill., Johnson Lure Kit

### BASS:

1st, Mike Kelly, Des Plaines, Ill., Turner Camp Stove  
2nd, Chuck Fencil, Chicago, Plano Tackle Box  
3rd, Richard Magers, Antioch, Mepps Bass Kit  
4th, Chuck Fencil, Sr., Chicago, Rapala Knife.

### STRIPED BASS:

1st, Terry Baer, Fox Lake, Pepsi Cooler  
2nd, Sam Goode, Chicago, Turner Lantern  
3rd, Harold Doody, Mepps Lunker Lure Kit  
4th, Fred W. Grost, LaGrange, Johnson Lure Kit.

### BLUEGILL:

1st, Tony Weber, McHenry, Pepsi Cooler  
2nd, Laura Kelly, Des Plaines, Turner Lantern  
3rd, Larry Cardia, Chicago, Pepsi Tote Bag  
4th, Wayne Meierdick, Antioch, Johnson Lure Kit.

### CRAPPIE:

1st, Bill Meade, Fox Lake, Pepsi Cooler  
2nd, Carl Gioia, Fox Lake, Pepsi Tote Bag  
3rd, Anthony Guleiva, Cicero, Johnson Lure Kit  
4th, George Taylor, Bensenville, Rapala Knife.

### CHANNEL CAT:

1st, John Tesar, Antioch, Pepsi Cooler  
2nd, Richard Buss, Palos Hills, Plano Tackle Box  
3rd, Billy Miller, Cicero, Mepps Lunker Lure Kit  
4th, James Benton, Lockport, Johnson Lure Kit.

### SWEETSTAKE WINNERS:

1st, Dan F. Sals, Chicago, Pepsi Cooler  
2nd, Mike Reuther, Chicago, Mepps Lunker Lure Kit  
3rd, Steven Johnson, Antioch, Mepps Pike Lure Kit  
4th, Randy Vaughn, Antioch, Johnson Lure Kit.

## Last Midweek Race Of Year Is Scheduled

The last midweek race of the year will take place Wednesday night (Aug. 13), at the Great Lakes Dragway.

The United Drag Racers supercharged nitro burning funny cars will headline the races with competition slated in 10 divisions. Drivers of the funny cars will race in a double elimination. This means all losers in the first 8 races will race again in the semi-final.

Drivers include Charlie Allen of Philadelphia; Ed Schartman of Cleveland; Gary Dyer, Austin Coil Al Fontanini, Don Schumacher and Chris Karamessine of Chicago; Bernie Adams, Fred Welchman of Milwaukee; Dick Locher, Pete Seaton and Roger Lindamood of Detroit and Jack Dittmars of Harvey, Illinois.

Other divisions that will be racing include stock cars, modified stocks, gas coupes and sedans, sports cars, gas dragsters and motorcycles.

The dragstrip is located 20 miles south of Milwaukee on Hwy. 45 at Union Grove.

## Attention Women Bowlers

The Women's Thursday Afternoon League will hold its first meeting August 14, at 12:30 p.m. at the Antioch Bowling Lanes. Anyone wishing to bowl may attend the meeting or contact Jean Karas at 395-1773 or the Antioch Bowl 395-1155.

It's easy to place a classified—Just dial 395-4111.

## McKay Wins Modified

Danny McKay of Elgin won his first feature race in modified stock car racing at the Kenosha County Fairgrounds in Wilmot Saturday night and proved what all his fans and many of his competitors have been saying since they first saw McKay in action. Saturday's win left no doubt about how good McKay is at driving in or building superb cars.

McKay got his win by leading every lap from his outside front row starting spot but it wasn't that easy. Twice he had to stay in the lead on a restart. One of these was necessary to get Chuck Acheson and Paul Cameron off the fence following a number two turn tangle.

Al Schill set fast time with a 19.17 run on the Wilmot oval but managed only an eighth place finish in the feature.

John Arnold, Camp Lake, won the semi-feature race, holding off a late pressure drive by Ken Monroe. Heats were won by McKay, Darve Nissen, Monroe and Eddie Loomis.

There were more than 3000 fans on hand who also were treated to a lot of excitement in the Sportsman and Spectator Race events. Dave Zilmer, Ron Fryer and Cal Clark won the heats with Chuck Olson of Wind Lake getting the feature race win.

Roger Otto continues to lead the Ira Wilmot point standings but with only a 7th place finish in Saturday night's feature, the final weeks could see a shakeup in the top of the point order. Bill Bohm of Kenosha is still second but the positions from there on thru 8th in standings are very close and these are the drivers that have been earning the most points recently.

Bohm had trouble in the feature and was late getting out for a restart and then pulled in on the 18th lap out of the race. The IRA drivers will have an extra chance to get valuable points as they have a Thursday night, Aug. 7 coming up at the Kenosha County Fair. This special night will include sportsman and spectator racing as well as a powder puff derby race for the ladies. However, only street type cars will be allowed this time. The last powder puff race brought out ladies in modified stock cars.

## GOLF STANDINGS

The Thursday night Twi-Lite Golf League at Spring Valley C. C. enters its last night of league play Thursday, Aug. 7 (tonight). The Antioch Landscaping team held their first place position with a split with Ray's Shell Station, 3 points each.

Kenosha Savings & Loan with 4 points over the First National Bank team's 2 points, remains only 1/2 point out of first place. Marchuck's Resort with a 6 point win over the Hospitality House team moved into third place.

Sponsor trophies are given to the first, second and third place teams in the final standings.

The standings and point totals entering the last night, or position night are as follows:

1. Antioch Landscaping 43 1/2
2. Kenosha Sav. & Loan 43
3. Marchuck's Resort 41 1/2
4. Tem's Luggage 40
5. Maggie & Bob's Tavern 34 1/2
6. Camp Lake T.V. 34
7. Hospitality House 32
8. Cermak Realty 30 1/2
9. Ray's Shell Service 28 1/2
10. First National Bank 28
11. Antioch Lumber 26
12. Antioch State Bank 14

Trophies and prizes will be awarded to the winning teams at the annual banquet for players and sponsors to be held this year at Angel's Restaurant on Oct. 18. A two week individual player sweepstake will be held on August 14th and 21st.

Geo. F. Palilko Secretary

## Little League Action

Little League action got underway on Monday, July 28 when the Tigers beat out the Cubs by a 7 to 5 score.

Jeff Schmidt hit a two-run homer for the winners while Ramsey connected for a two-run circuit blow for the losers.

Winning pitcher was Schmidt while Mike Witt took the loss.

On Tuesday, July 29 the Pirates beat out the Dodgers by a 7 to 6 score.

Winning pitcher was Jim Shostak while Phil Lindberg suffered the loss in relief of Tim Sheppard. The Giants won out over the Cardinals by a 4 to 2 score on Wednesday, July 30.

Gary Keen picked up the win while Dale Guntz suffered the loss.

On Thursday, July 31, the Dodgers met the Yankees and the Yankees blanked the opposition by a 3 to 0 score. Mark Andrews was the winner over Phil Lindberg.

On Friday, August 1, the Sox beat out the Cardinals by a score of 14 to 10. Mike Holm and Todd Buxton hit home runs in the game and Jim Caldwell hit a grand slam home run in the top of the 7th to win the game.

Losing pitcher was Mahar while Mike Holm picked up the win in relief.

The Tigers beat out the Yankees by a 6 to 0 score on Friday, August 1, with Tom Underhill getting the win and Russ Albano the loser. Jeff Schmidt hit a two-run homer for the winners.

## Fox Loses Out To Walbeck

KAUKAUNA—Mr. A. A. title that could be given to Sparta's Fox, who was running a '68 Chevelle, as he was leading the 19 car 50-lap feature event for 20 laps (from the 20th to the 40th) only to lose the honor spot on the final lap to Marlin Walbeck, of Rib Lake in a '66 Chevelle, in the latest half-mile racing program at the KK Sports Arena.

Walbeck had originally been the leader from the 7th to the 29th lap, before he lost it to Fox. Walbeck and Fox staged a 22 lap bumper-to-bumper show and continued at that short distance until Walbeck took the checkered flag after the 50 laps had slipped by. The feature race was run under the caution flag from the fifth to the seventh lap and finally stopped after Rich Somers and Bob Kleinschmidt tangled and spun in the entrance to the No. 4 turn. Little damage and no injuries resulted from the encounter.

Following Walbeck and Fox to victory were Mike Brown of Wisconsin Dells in a '69 Charger third, with Marv Marzofka of Wisconsin Rapids fourth in a '67 Mercury, and Rich Somers of Stevens Point in a '64 Mercury.

Winner of the 10-lap six car trophy dash for the night's fastest qualifiers was Somers with Fox second and Marzofka third. Milo Van Oudenhoven of Menasha who pilots a '69 Plymouth road runner, won the first heat for the third week in a row. Bill Wirtz of Wisconsin Rapids was second, with Berlin's Stu Nitzke in the third spot.

Somers won the second heat, with Fox second and Walbeck third.

Fast time for the evening also went to Somers with a time of 22.87 seconds.

Bob Lemke of Kaukauna won the 15-lap figure 8 event. The next half-mile event will take place on Thursday night, Aug. 14. Time trials will begin at 7 p.m. with the first race scheduled to get underway at 8:30 p.m.

### A KIND DEED

Mrs. Mike Dry brought off a miracle in Verona last week. She trained, and now directs a small choir made up of mental patients and their singing is superb and full of deep feeling. What a great example for the rest of us, in case you really want to do something about mental illness in your community.—Cliff Hutchinson in the Elkhorn Independent.

## Quarter Horse Show Set

August 9th is the date the Waukegan Jaycees will present their annual quarter horse show at the Lake County Fair Grounds, corner of Rts. 120 and 45.

Under the sponsorship of the Jaycees in co-operation with the American Quarter Horse Association, Illinois Quarter Horse Association, and the Land of Lincoln, this event promises to be the most outstanding show of horsemanship of the year.

Spectators will be most welcome and will thrill to the performances of expert equestrians of all ages and to the tremendous abilities of the "Great American Quarter Horse."

Post time for this spectacular event will be 9:00 a.m. Refreshments will be available and all proceeds will be used for the betterment of the City of Waukegan.

## Water Ski Show Set In Chicago

The world-famous Tommy Bartlett Water Ski, Sky & Stage Show will perform eleven shows during the week-long Lakefront Festival in Chicago, August 16-22. The announcement was made jointly today by Chicago Mayor Richard J. Daley and James W. Howard, president of Meister Brau, Inc., sponsor of the show.

The show includes 18 professional skiers who perform special parasail, kite, jump, and sky-diving routines. The team, currently performing at Wisconsin Dells, Wis., has toured the world. As part of a program sponsored by the U. S. State Department and the U.S.O., the show toured Japan, Formosa, the Philippines, Hawaii and Okinawa, performing to massed thousands of people. Some 30 million people saw the show in the Far East. In Korea, an estimated two million people saw the show in one week.

The show was acclaimed the top "live" attraction at the New York World's Fair, performing before four million people in 14 weeks, and at the Seattle World's Fair where 3.6 million viewed the team in 12 weeks.

The show was formed by Tommy Bartlett in 1958. Well-known in Chicago, Bartlett enjoyed popularity as a top radio personality in the late 1930's, when he announced as many as seven soap operas a day. He created the syndicated radio program "Meet the Missus," and "Welcome Travelers," which was popular on both radio and television.

Meister Brau, Inc., Chicago-based brewer of Meister Brau beers, has a long association with sports and sporting events. The company sponsored the Bartlett extravaganza during the International Trade Show in Chicago in 1961, 1962 and 1963. The firm co-sponsors the annual Illinois P.G.A. Seniors Golf Tournament held in August at the Crystal Lake Country Club, and in 1968, sponsored the Illinois State P.G.A. Championship at Cog-Hill Country Club, Lemont, Ill.

Meister Brau sponsors telecasts of the Chicago White Sox games on WFLD-TV, and radio broadcasts of Chicago Blackhawks games on WGN-Radio.

Sporting activities also include a Meister Brau bowling team led by American Bowling Congress Hall-of-Fame bowler Paul Krumke in the Chicago Classic League. Meister Brau's famous racing car, the Meister Brauser Scarab, was a winner of every major road racing event prior to retirement in 1965. The company is also the owner of the professional football Lake County Rifles, in the Central States Football League.

Meister Brau President James W. Howard was chairman of the National Football League Player awards dinner held in Chicago on June 29 to benefit the Better Boys Foundation, an organization dedicated to the aid of young boys in the inner city.

"What are we complaining about? Taxes in socialist Sweden are 85 per cent of every dollar—in America it's only around 30 per cent, although we figure the way the government is stepping in on business, spending money, etc., it will surpass the 85 per cent amount soon."—Marion, Wis., Advertiser.

The cottontail, molly or briar rabbit, it not a true rabbit at all, not even a hare. It is abroad both day and night and is preyed upon by most flesh eaters, but as it is prolific (three or four litters of four to six babies) there will always be cottontails.

## Schill Point Leader

Ray Toft, President of Interstate Racing Association of modified stock cars has released the overall Ira point standings from three tracks and Al Schill of Franksville, Wis., is the leader.

With only five more weeks of racing remaining at the Kenosha County Speedway in Wilmot and only three more Friday nights remaining at Rockford, and an undetermined number at the Lake Geneva Raceways, Schill has an impressive lead over last year's IRA champion, Roger Otto of Burlington. Others in the top five are Ron Bergsma, Richmond, Tom Anderson, Antioch, and Jr. Dodd, Waukegan.

Throughout the 1969 season Schill has been in a new car that has given him both victories and defeats. The losses have been more numerous recently, but others in the top of the order have had problems also, and the positions have remained about the same. Standings are divided with five Illinois and five Wisconsin drivers in the top ten.

STANDINGS	
1. Al Schill	419
2. Roger Otto	380
3. Ron Bergsma	336
4. Tom Anderson	299
5. Jr. Dodd	265
6. Jim Sullivan	254
7. Denny McKay	237
8. Claude Potter	219
9. Eddie Loomis	213
10. Johnny Reimer	212

## Football Call Goes Out At AHS

Football equipment will be given out at Antioch High School on the following days:

Varsity — Monday, August 18, from 9:00 a.m. to 12 noon.

Sophomores — Monday, August 18, from 1:00 to 3:00 p.m.

Freshmen — Tuesday, August 19, 9:00 a.m. to 12:00 noon.

In order to receive equipment, a boy must have a physical examination. Physical examination cards may be picked up in the high school's student personnel office.

Football practice will begin on Wednesday, Aug. 20, at 7:30 a.m. The locker room doors will open at 7:00 a.m. The second session will be held from 6:30 p.m. to 8:00 p.m. each evening before school starts.

## Antioch Swim Club Invitational Meet

Last Sunday, August 3, the Antioch Swim Club hosted their invitational meet in conjunction with the Lions Club Chicken Barbecue and Picnic.

It was a Tri-Meet featuring Antioch, Kenosha and Brentwood of Waukegan.

The Aqua Center was at its best with a new scoreboard, five red starting blocks, the Antioch swimmers in their red and white striped racing suits, three big trophies and ribbons for the winning teams and swimmers. The State Bank of Antioch, sponsors of the Antioch team, furnished all of the above mentioned articles.

The meet was exciting right from the start as the lead changed hands several times. The final statistics revealed Brentwood as the first place winner with 109 points, Antioch second with 133 points, and Kenosha third with 95 points.

After the awards were presented there was free swimming for the teams and spectators as well as an invitation to join them again next year.

Carolyn, 5, and Suzi, 2, are curious about this big Muskie caught by their daddy, John R. Laude, Felter's Subdivision, Antioch. The lunker was caught on Planting Ground Lake in Clearwater Lake, Wis., where Laude has the family cottage. Using a heddon spinner with a Mepp's bucktail, it took nearly a quarter of an hour to land the 10 pound beauty which measured out 34 inches. Guiding for Laude on his successful expedition was Raymond M. Mairo, Jr., of Urbana.

## Midgets Goes To Deering

John Deering of Elgin set fast time in the U.A.R.A. midget auto races at the Waukegan Speedway Friday night and then took the lead in the 22nd lap after an exciting 17 lap duel with Todd Barton of Vinton, Iowa, to go on and win the 40 lap Paul Rademacher Memorial race.

Friday night's races were run as a memorial to the late Paul Rademacher who lost his life at the Speedway on the Fourth of July. Part of the gate admission plus donations by most of the drivers and car owners were presented to Mrs. Rademacher after the races. Mrs. Rademacher attended these races and presented the twin trophies to Deering for winning the feature race.

Deering, who also won the May 30 races at the Speedway, set the evening's best time with a 13.85 lap. The Elgin speedster took third in the dash and won the second heat race in the preliminary events. It looked as though Deering's closest competition would be Henry Pens of Joliet, who usually runs in the U.S.A.C. midget circuit. Pens won the

Unaggressive and good natured, the North American porcupine prefers to be left alone, but with its 30,000 expanding barb quills has little to fear from enemies.

## Roper Has 5th Win

Bob Roper of Chicago grabbed his fifth late model super stock win at the Waukegan Speedway Saturday night in the last six races run. Roper's win was a close one, as six drivers led the 30 lap event. Ray Young of Chicago finished second and Al Hagerty of Libertyville took third money.

The first of two restarts came in the first lap when Bud Herman of Barrington spun with most of the cars behind bumping and skidding trying to avoid mass pile-up. Besides Herman, Bob May of Gurnee and Lou Clavey of Deerfield had their cars damaged after hitting the backstretch wall.

Chuck Parker of Lombard led the first two laps before Frank Cabrera of Chicago tasted the lead. By the fifth lap it was Cabrera in the lead, followed closely by Al Gutche of Pleasant Prairie, Hagerty, Young and Roper.

The second red flag came in the seventh lap when Rich Davis of Waukegan blew a tire and tagged Gutche quickly was hit by Jim Cossman of Waukegan who could not avoid the stranded car.

Gutche restarted and took the lead from Cabrera in the 8th lap, but a half lap later Hagerty powered into first spot. Two more laps went by before Young forged in front on the 10th lap and Roper took second one lap later.

Young and Roper ran bumper-to-bumper for several laps before Roper managed to pull even with Young on the inside groove. These two ran wheel-to-wheel for two laps before Young was slowed by a lapped car and lost the lead in the 19th lap.

Roper drove a flawless race to the checkered flag with Young right on his back bumper. Hagerty and Cossman waged a battle for third before Cossman lost a wheel in the 25th lap and retired. Scott Moore of Mundelein then moved into fourth spot for his best finish of the year with Cabrera holding down fifth.

For Roper it was a clean sweep as he bested Cossman in the time trial runs by .03 seconds for fast time and then proceeded to win the fourth heat race in front of Hagerty. Bob May was the only driver Saturday to have the distinction of beating Roper and that came in a non-point race, the trophy dash, where Roper finished second.

Roger Eder of Chicago, Bob Delaney of Roselle and Ray Greenberg of Naperville won the other late model heat races. Delaney came back for his second win of the evening as he won the semi-feature race in a tight finish over Dick Dornbusch of Lake Bluff.

Hobby stock action was wild again Saturday as another large

field of cars was on hand. Point leader Tom Reuss was eliminated in a homestretch heat race crash and missing the feature.

Elmer Roberts led the feature for one lap before Homer Scott gained first. Bob Klemm took the lead and opened up a sizable margin before losing a wheel, with Scott regaining the lead. Finally with six laps to go Cliff Burdette of Sturtevant, Wis., moved into the lead and dodged numerous pile-ups for the win. Second place went to Tom Burke of Glenview and Dan Hanlin of Waukegan placed third.

Next Saturday night the Speedway will be the scene of the fourth 100 lap championship race for late model super stocks at Waukegan. The last 100 lap race was a duel between Roper and Young right up to the checkered flag with Roper taking the lead in the last lap to win by two feet at the finish line. Time trials for this event will start at 7 p.m. with the first race one hour later.

## Softball Finals On Aug. 10

The Finals of the Seventh Annual Chicagoland Championship Softball Tournament of the Lutheran Athletic Association of Greater Chicago will be held on Sunday, August 17th, at Thillens Stadium, Devon and Kedzie Avenues, in Lincolnwood, Ill. The semi-finals will also be held at Thillens Stadium on Sunday, Aug. 10th, from 2:00 p.m. to 6:00 p.m.

On the 17th, champions will be determined in the junior and senior divisions. In addition, exhibition games in the freshman and girls' divisions, and junior and senior consolation games will also take place. Additional attractions include the selection of a city-wide softball queen, and hitting, throwing and base-circling contests will also be conducted. The program of activities will begin at 2:15 p.m. and conclude at 10:00 p.m. Gates open at 1:30 p.m.

A total of 20 senior teams and 8 junior squads had qualified for the single elimination tournament on the basis of their records in sectional league play. Approximately 1,500 players participated on 95 Church-sponsored teams in regular-season competition in 14 divisional leagues which were operated in 5 sections of the L.A.A. in the Chicago Metropolitan Area for the right to compete in this

## Durest Takes Lake Geneva 50-Lap Race

Racing at Lake Geneva Raceways on Saturday, Aug. 2, featured the mid-season championship race.

Dick Durest of MacFarland started on the pole according to point standing order for the start of the 50 lap mid-season Championship race and lead every lap. The race was less than a full field of cars as three of the cars on hand were not permitted to start the feature because they had not joined the owners association.

Out of the feature were Dennis Burgan, Ray Bush and Gil Rein. Burgan would have been on the pole spot had he been able to start. He was unhappy at the loss of the start because he said that none of the association representatives had approached him about joining and he was unaware of the requirement to be able to race.

Race officials were notified two weeks ago and even sent letters to all car owners in late models to make sure they were aware of the ruling but Burgan said he did not receive his.

Durest's biggest competition came from Vernon Browne who finished second with Harv Dunbar, Bob Lebnow, and Ken Carey rounding out the top five. Heat races were won by Durest, Rein, Burgan and Browne.

Lee Tibbets of Hebron spun in the feature in the fourth turn and wound up sitting out the balance of the event with his car front buried in a mound of sand protecting a light pole.

Another car spun out of control in the Spectator events coming very close to striking the flagman Harold Elverman of Twin Lakes. The car, however, hit a protecting railing and the driver was knocked out. He was taken to Lakeland Hospital in Elkhorn, examined and released.

The feature in the Spectator stocks was won by Richard Drew. Heats were won by Len Schills and Drew with Kurt Peterson setting the fastest time in this group.

The Lutheran Athletic Association of Greater Chicago, which was organized on Nov. 1, 1962 as a department of the Lutheran Council of Greater Chicago, sponsors competitive athletics for the sports teams of the Lutheran churches in the Chicagoland area which are affiliated with the American Lutheran Church, the Lutheran Church in America, and the Lutheran Church, Missouri Synod.

The pocket gopher is a prodigious digger and spends most of its time underground. It has "pockets" fur lined cheek pouches that open to the outside, in which it carries food.

## Hay Fever ...

(Continued from page one)

It's impossible to tell yet. Weather conditions in the Chicago area have been ideal for growing large quantities of big, mean-looking ragweed plants, and should the weather continue to be ideal—for the ragweed—it could be a pretty nasty season. However, should the weather be chilly and wet, it'll tend to hold down travel of the pollen and ease the sufferers' agony. And, if you want to know just how miserable you are, call 244-4500 or 244-4501 (Waukegan) for the latest pollen count.

Many persons plan their vacations to get away from the onslaught of the noxious pollens. But don't head for Fargo, N. Dak., Kansas City, Minneapolis, Louisville, or Columbus, Ohio, unless you plan to hibernate in air conditioned, filtered comfort.

The best refuges, for those able to get away during the height of the season, are described in "Hay Fever Holiday," a free booklet available by writing Abbott Laboratories, D-792, North Chicago, Ill. 60064.

If you just can't get away during hay fever season, your best bet is pre-season treatment by your family physician—starting several months ago. It won't do you any good for this season, but think about it well in advance of sneezin' season.

## NO ULTERIOR MOTIVE

What has been called the "anti-capitalistic mentality" is most often found among those who flaunt the false slogan of human rights above property rights. They apparently do not realize or do not care that without property rights, there would be precious few human rights. They claim that Americans believe property is sacred. Perhaps it is in a sense.

A foremost business and financial leader answers such critics of the U. S. system in these words: "I would like to point out that New York City alone spends about \$2 billion a year, representing property taken from taxpayers, to support those who are unable to support themselves. . . . Since 1946, we have expended \$173 billion in aid to foreign countries, including . . . enemies we defeated in World War II. Never before in history has a victorious power shown such generosity. . . . There may be those who will tell you this was done for ulterior motives. These are the people who seem to be able to conceive of human beings acting for noble reasons. Perhaps this is a reflection of their own character."

A hoarder by instinct, the fox squirrel caches nuts fast and furiously in little holes in the ground. It also eats insects, bark, berries, nuts, sap and seed.

## Savings Bond Rate Increase To Aid Sales

Richard F. Kennedy and Richard D. Newland, Lake County co-chairmen for U. S. Savings Bonds, was today queried about the Treasury request to Congress to remove the interest rate ceiling on Savings Bonds and other Government securities.

According to the Chairmen, "If the legislative request is approved, the interest rate on Series E and H Savings Bonds will be raised from the current 4.25 per cent to 5 per cent, if held to maturity. The increase would be retroactive to June 1, 1969. All outstanding E and H bonds would also benefit from the new 5 per cent rate, beginning with the first semiannual interest period which starts on or after June 1."

Series E Bonds will have their maturity period reduced from 7 years to 5 years; 7 months. H Bond maturity will remain at 10 years. Both E and H Bonds would enjoy an automatic extension period. The present 5 per cent rate on Freedom Shares would continue unchanged until they are removed from sale 6 months after the proposed legislation becomes law. Authority to extend Freedom Shares at maturity is included in the Treasury's request.

The Chairmen said that the Treasury's proposal "should give new impetus to the Savings Bonds Program throughout our area."

"While Savings Bonds have always been a good buy, the rate increase will make them even

(By Fran Boxley)

more attractive to the members of our communities who have been putting aside dollars regularly, through Payroll Savings Plans or over-the-counter purchases at their banks, saving for a new home, farm improvements, an automobile, a second honeymoon, college for the children, or a retirement nest egg.

"And it will provide an added incentive to our young folks, like Future Farmers and 4-H Clubbers, who have not yet acquired the Savings Bond habit of thrift."

## TIME

A mother was teaching her small daughter how to tell time.

"These are the hours, these are the minutes and these are the seconds," the mother instructed, as she pointed to the face of the clock.

Puzzled, the little girl inquired, "Where are the jiffies?"

The designation "Rabbit" was originally applied to a European species that lives underground in communal burrows, or warrens, and brings forth its young naked, blind and helpless. In the true hares, the young are born with their eyes open and fully covered with soft, warm fur.

To many people, a "rodent" is a rat or mouse, but there are many other animals classed as rodents (gnawing animals). They include squirrels, beavers, woodchucks and marmots, chipmunks, gophers, muskrats, hamsters, lemmings, porcupines, and many others.

"News releases disclosed that, according to a Supreme Court decision made a short time ago, ex-convicts are exempt from any form of gun registration. Because a man's previous criminal record makes ownership of a gun illegal, registration amounted to self-incrimination, which is specifically not required under the Bill of Rights, the Supreme Court said. This decision is in essence the same thing a lot of honest citizens—and hunters—have been saying for some time, that criminals will ignore gun registration laws, with the blessing of the Supreme Court, which means that the only one affected by such laws will be the honest citizen."—Alamosa, Colo., Courier.

"It is no news by now that the followers of Marx try to make his theories work in practice, the more they demonstrate that there are a few basic points about human nature the master did not take into account. One of the most basic is the hope for personal gain as a motivator for individual economic activity, legal or otherwise, and the latest evidence that it springs eternal, even in the socialist breast, comes from Warsaw. Five Poles have been convicted of counterfeiting for using a state owned printing plant to make a few bucks on the side—literally. Adding insult to injury, they were turning out not good, or bad, Polish zlotys but dollars—twenty and fifty dollar United States bills."—San Jacinto, Calif., Register.

## THE ANTIOCH NEWS—7 THURSDAY, AUGUST 7, 1969

## Arbor Resort Hit, Liquor, TV Taken

The Arbor Resort and Marina, Bluff Lake Road, Antioch Township, was burglarized last week and thieves took a \$600 television set, five cases of liquor and an undetermined amount of change from machine coin boxes and two cash registers.

The thieves gained entrance to the establishment through a side window.

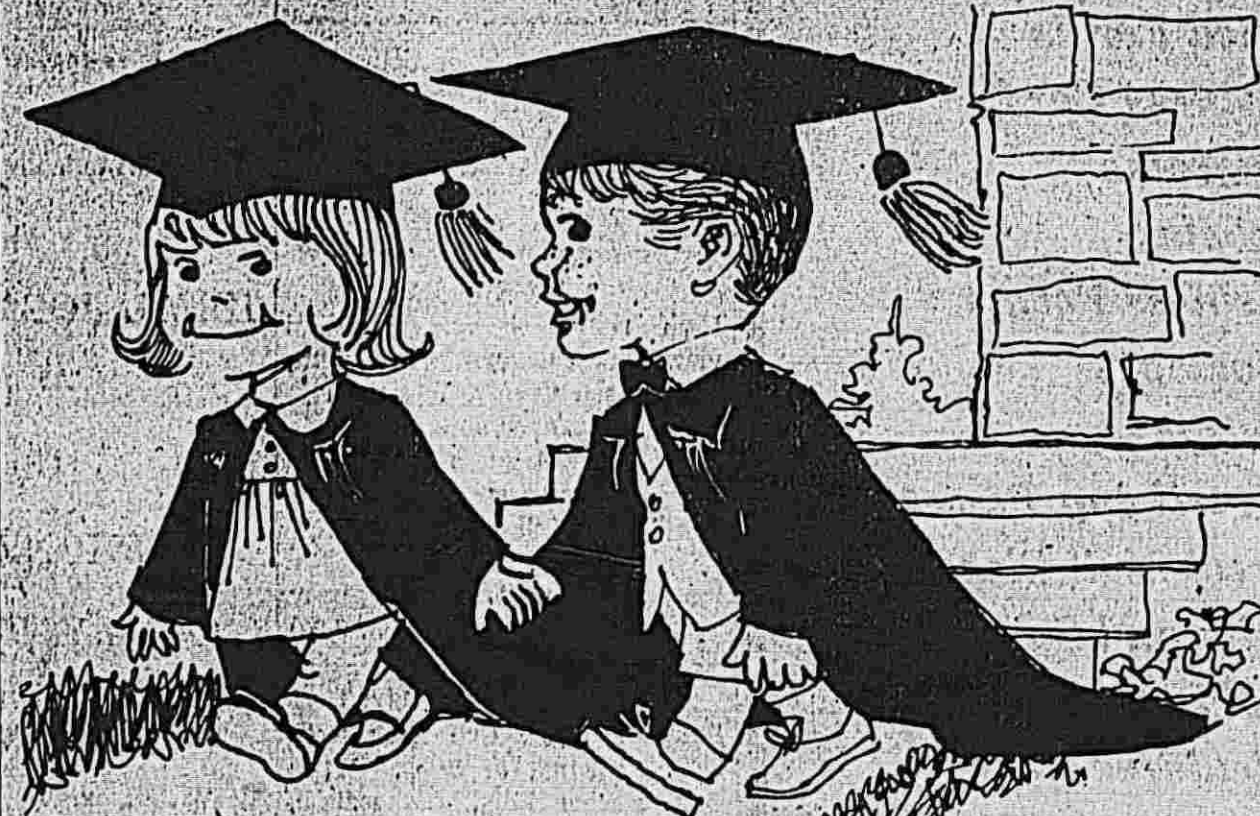

"After watching on television such a tremendous performance as that of Apollo 10, with its feeling of pride, amazement and demonstrated superiority; it seems almost sacrilegious to have the pictures in our living room suddenly shift to shaggy packs of rioting students fighting law and order for hazy and blurred objectives; or the story of greed which has cast a shadow on our nation's highest court. One gets the impression that (the) Astronauts . . . along with their teammates at Mission Control are writing one kind of history; and a more sordid chapter is being written by other citizens who would save the world from explosion . . . by running toward it with dynamite and matches!"—From the Burley, Idaho, Press.

A full grown beaver will weigh from thirty to fifty pounds. If exceptionally large it may come closer to a hundred pounds. It continues to grow through life.

# THANK YOU!

The members of the Lions Club of Antioch take this opportunity to thank all of our many friends who helped to make our annual Chicken Bar-B-Q and Farmers Picnic a tremendous success. We deeply appreciate your continued support.

### DRIVING FOR TRAFFIC SAFETY

by Paul Powell  
Secretary of State

Some accidents are often termed freak accidents. One that happens quite frequently is the car that suddenly leaves the highway and plunges into a river or lake. There have been many fortunate escapes, but there have also been many tragedies.

Should you find yourself in this situation the main thing to remember is not to panic.

If you have your seat belt fastened it will help you to avoid serious injury when the car hits the water.

A car will stay afloat for as long as three minutes. The best way out is through a window before the car sinks. If this fails, try the doors. In most instances doors will open as the car fills with water and the pressures inside and out become equal.

Should these two measures fail, kick a hole in a window. It may be necessary again to wait until the water enters the car and pressures become equal.

A deep breath should be taken before moving out of the car and in deep water it is vital to release your breath slowly, otherwise the compressed air taken in will expand as you rise to the surface and it can cause paralysis or death.

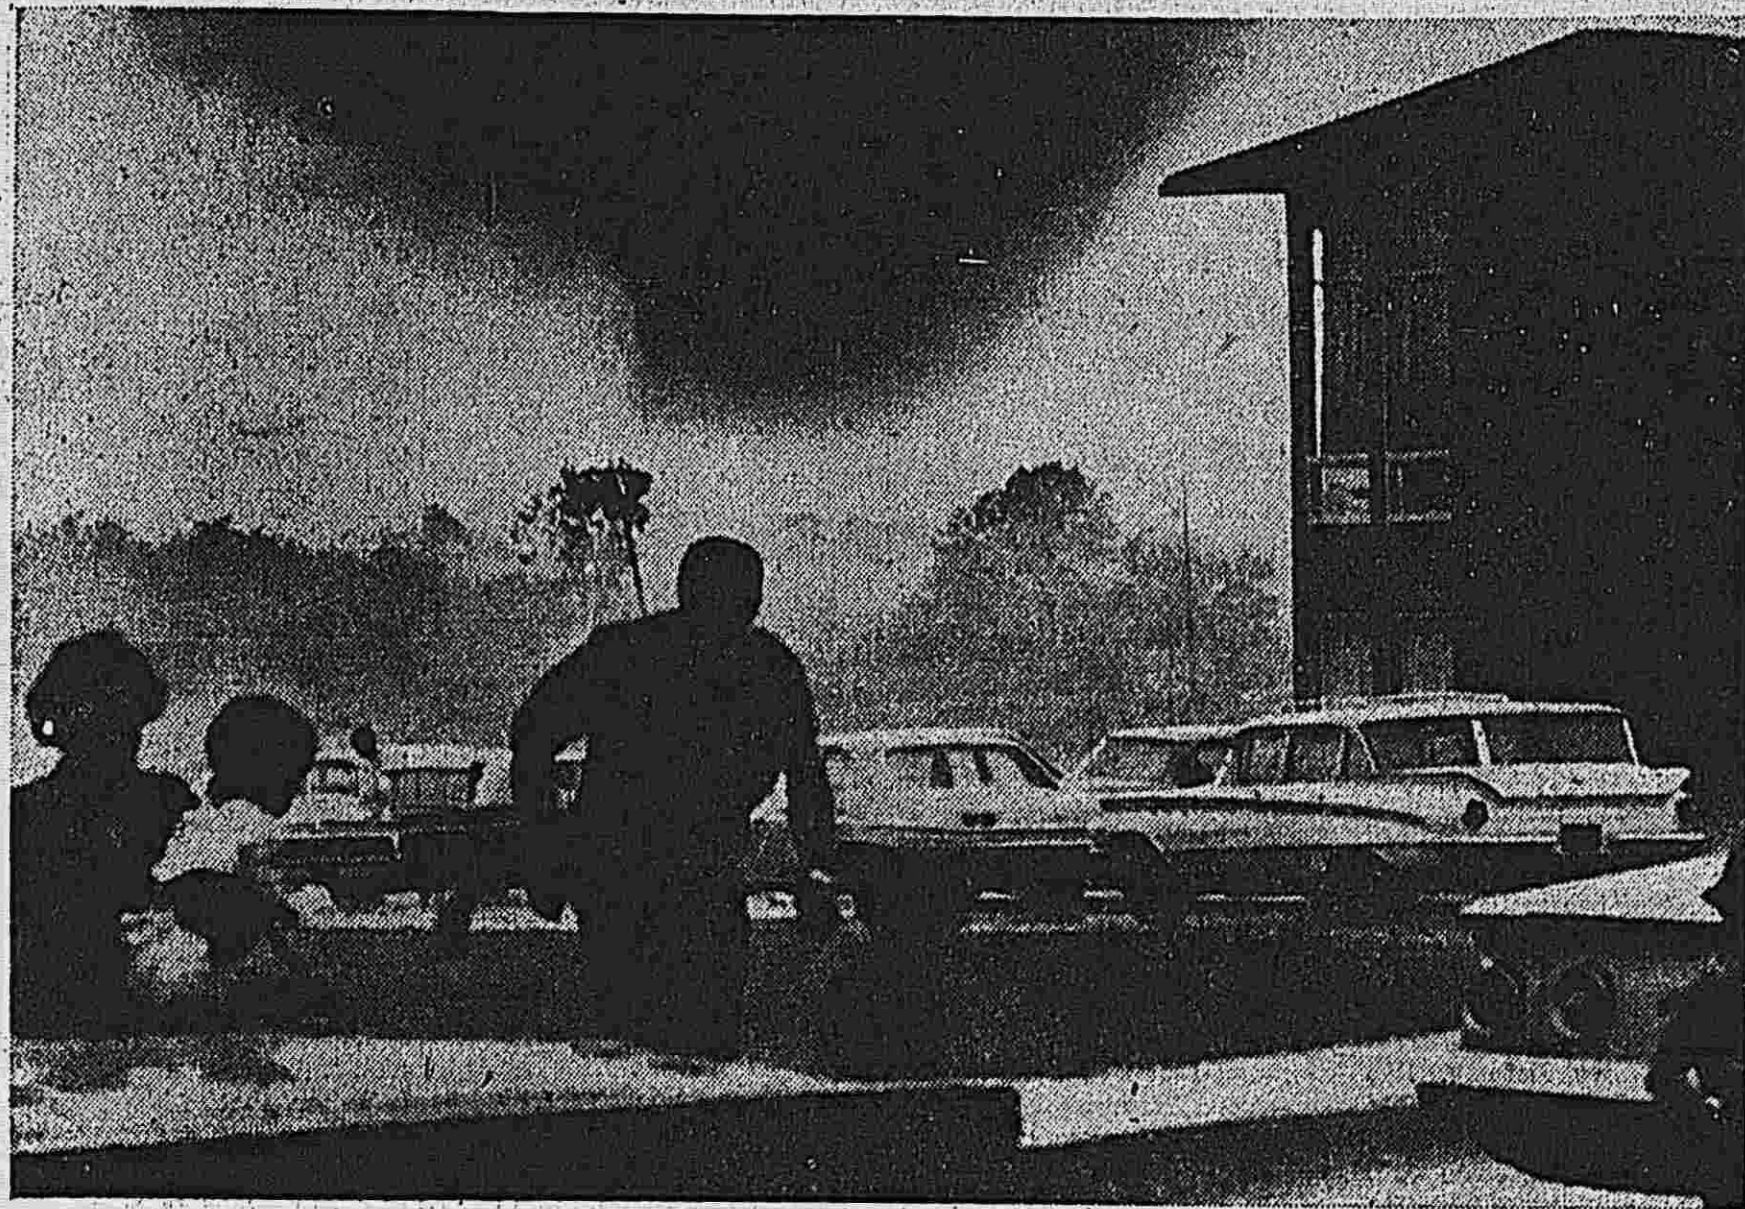

The key to successful escape is: Keep your head.

### \$140, Cigarettes Taken From Drive-In

Burglars hit the Silver Saddle Drive Inn Restaurant on Rte. 59 in Lake Villa last week and took an undetermined amount of change and cigarettes from the vending machine and \$140 from a music vending machine.

Sheriff's deputies said \$2 in nickels was also taken from the register drawer. The thieves got in by prying open a rear door, deputies said.

## Last July when you went to the beach we went to a tornado.

The American Red Cross.  
We don't know where we'll be needed next.  
You don't either.
